No authority is given by this section to impose taxes on any property which is exempt from taxation by any Act of the General Assembly. (Res. March 13, 1969; P.L.L. 1963, sec. 226(50).)

Section 19–713. Budget authorizes levy.

From the effective date of the budget, the amount stated therein as the amount to be raised by the property tax shall constitute a determination of the amount of the tax levy in the corresponding tax year. (Res. March 13, 1969; P.L.L. 1963, sec. 227(51).)

Section 19–714. Notice of tax levy.

Immediately after the levy is made by the Council in each year, the Treasurer shall make out and mail or deliver in person to each taxpayer or his agent at his last known address a bill or account of the taxes due from him. This bill or account shall contain a statement of the amount of real and personal property with which the taxpayer is assessed, the rate of taxation, the amount of taxes due, and the date on which the taxes will bear interest. Failure to give or receive any notice required by this section shall not relieve [relieve] any taxpayer of the responsibility to pay on the dates established by this Charter all taxes levied on his property. (Res. March 13, 1969; Res. No. 9–99, 8–06–99; Res. 04–01, 4–2–04; P.L.L. 1963, sec. 228(52).)

Section 19–715. When taxes are overdue.

A. Except as provided for in subsection B, the taxes provided for in Section 51 (19–713) of this Charter shall be due and payable on the first day of July in the year for which they are levied and shall be overdue and in arrears on the first day of the following October. They shall bear interest while in the arrears [in arrears] at a rate to be set by resolution of the Mayor and Town Council. All taxes not paid and in arrears after the first day of the second January following the year for which the taxes are levied shall be collected as provided in Section 19–716 of this charter.

B. The owner of an owner–occupied residential property may elect to pay the taxes provided for in Section 19–716 of this charter on a semi–annual basis.

(1) Conditions which must be met to be eligible:

a. The property owner must occupy the property as a principal residence.

b. The First payment, or one-half (1/2) [of] the property taxes must be paid by September 30, and amounts other than taxes that appear on the bill may not be subject to deferment.

c. The Second payment, due January 1st, and must be paid prior to January 31st, will include SERVICE CHARGE to cover the Town's lost interest income, plus an administrative fee to offset additional program costs not to exceed 25% of the Town's lost interest income.

d. If a property owner owns the property and occupies the property as a principal residence and elects a semi-annual payment schedule, but fails to make payment of the first semi-annual amount by September 30th, [the property owner] is electing out of the semi-annual program. If the first semi-annual payment was paid by the due date, by failing to make the second semi-annual payment the property will be subject to TAX SALE (See Section 19-716).

e. The property owner MUST NOTIFY AND MUTUALLY AGREE with holder of mortgage to participate in the semi-annual tax program and the Town is not responsible for any conditions or costs that the mortgage holder may impose for its involvement in the semi-annual payment process.

f. The Town will have an OPEN ENROLLMENT PERIOD for selection of the semi-annual tax option. The OPEN ENROLLMENT PERIOD SHALL BE MARCH 1 THROUGH APRIL 30 each year, and shall be advertised in the local newspaper twice during the month of March. The option on file will remain in effect until revoked in writing by the owner(s) of record.

(2) *Election of schedule.* A semi-annual payment schedule under this subsection may be elected at the time of the transfer of property or on an annual basis during OPEN ENROLLMENT PERIOD by any current or future owner of owner-occupied residential property. A semi-annual payment schedule election made at the time of the transfer of property shall apply to the property tax due for the tax year following the transfer of the property. If real property ownership is transferred between July 1 and January 1, and the transferee elects a semi-annual payment schedule of property tax for the current taxable year, the transferor is liable for any semi-annual property tax installment that may be due for the real property in the current taxable year at the time of transfer, and is not liable for the second semi-annual installment that is due after the date of transfer. The transferee is solely liable for any semiannual property tax installment for the current taxable year that is due after the date of transfer.

(3) *Service charge.* A property owner electing to pay real property taxes under a semi-annual payment schedule authorized by this subsection B shall pay a service charge with the second installment. The service charge shall be adopted by the Town as part of the adoption of the property tax rate under Section 9-713 of this charter, and shall be expressed as a percentage of the amount of tax due at the second installment. The service charge shall be calculated in an amount reasonably equivalent to the anticipated lost interest income associated with the delay in payment of the second installment and the addition of administrative expenses

associated with the semi-annual payment, not exceeding twenty-five percent 25% of the charge for lost interest. The service charge shall not be considered to be a property tax for the purposes of any provisions of any public local law or this charter that limits the property tax rate of property tax revenues.

(4) *Contents of a semi-annual property tax bill.* The property tax bill under a semi-annual schedule shall include two semi-annual payment coupons that may be submitted either separately with the appropriate payment as semi-annual payments or at the same time with a single annual payment, and shall state:

- a. The amount of the tax due if paid in full, including any applicable discounts for early payment;
- b. The amount of the tax due if paid in semi-annual installments, including any applicable discounts for early payment of the first installment;
- c. The amount of the service charge to be paid with the second installment;
- d. The date the tax payment is due.

(5) *Payment due date.* The first installment under a semi-annual schedule is due on July 1st of the tax year and may be paid without interest on or before September 30 of the tax year. The second installment under a semi-annual schedule is due on January 1st of the tax year and except for the service charge, may be paid without interest on or before January 31st of the tax year.

(6) *Payment from escrow account.* If an escrow account is established for the payment of the property tax, the tax shall be paid in annual or semi-annual installments as directed by the owner or borrower. Nothing in this subsection (6) relieves the owner or borrower from making the election required by subsection B.(1). (Res. March 13, 1969; P.L.L. 1963, sec. 229(53); Res. 3-96/C1-96, 5-3-96; Res. No. 1-99, 3-3-99; Res. No. 4-99, 5-14-99.)

All property listed thereon shall if necessary be sold for taxes by this county official, in the manner prescribed by State Law. If [the] county does not sell the property for taxes, then the Town will have the power to sell the property as prescribed by State Law. (Res. March 13, 1969; Res. No. 9-99, 8-06-99; Res. 04-01, 4-2-04; P.L.L. 1963, sec. 230(54).)

Section 19-719. Tax anticipation borrowing.

During the first six months of any fiscal year, the Town shall have the power to borrow in anticipation of the collection of the property tax levied for that fiscal year, and to issue tax anticipation notes or other evidences of indebtedness as evidence of such borrowing. Such tax anticipation notes or other evidences of indebtedness shall be a first lien upon the proceeds of such tax and shall mature and be paid not later than six months after the beginning of the fiscal year in which they are issued. No tax anticipation notes or other evidences of indebtedness shall be issued which will cause the total tax anticipation indebtedness of the Town to exceed fifty per centum (50%) of the property tax levy for the fiscal year in which such notes or other evidences of indebtedness are issued. All tax anticipation notes or other evidence of indebtedness shall be authorized by ordinance before being issued. The Council shall have the power to regulate all matter concerning the issuance and sale of tax anticipation notes. (Res. March 13, 1969; P.L.L. 1963, sec. 233(57).)

(c) Prior to issuing any such obligations identified in subsection (b) above, the Council shall adopt a resolution containing, determining or providing for the determination of, or approving or providing for the approval of: (1) the designation, date of issue, denomination or denominations, form or forms and tenor of such obligations; (2) the rate or rates of interest payable on such obligations (which may be fixed or variable or may be determined by a method approved or provided for); (3) the date or dates and amount or amounts of maturity, which may be in any denomination and which may be in serial and/or term maturities; (4) the manner of selling such obligations, which may be either at public sale after publication or dissemination of the notice of sale or by private (negotiated) sale without advertisement or solicitation of competitive bids; (5) the price or prices of such obligations, which may be at, above or below par value; (6) any desired provisions relating to the redemption of such obligations prior to maturity (which may be at, above or below par value), and the manner of publishing or otherwise giving notice of such redemption; (7) the manner of executing and sealing such obligations, which may be by facsimile; (8) any documents pursuant to which such obligations are to be issued, offered or secured, including, without limitation, agreements with banks, fiduciaries, insurers or others for the purpose of enhancing the marketability of or as security for such obligations and for securing any tender option granted to the holders thereof; and (9) such other provisions regarding the terms, conditions, issuance, sale, delivery and security of and for such obligations as the Council may determine necessary or desirable, including, without limitation, whether such obligations shall be sold for cash or other valuable consideration or further specifying the purposes for which such obligations are to be expended (within the limitations set forth in the applicable ordinance). By resolution the Council may delegate to a specified official or officials the authority to approve any matters or make any determinations contemplated by this subsection (c). A resolution adopted pursuant to this subsection (c) may be introduced and adopted at a single session of the Council and shall become effective immediately upon adoption or upon the date specified in such resolution.

(d) The Council may, at its option, determine or provide for the determination of, or approve or provide for the approval of, any of the matters referenced in subsection (c) above by ordinance instead of by resolution.

(e) In connection with any sale of general obligation bonds, notes or other evidences of indebtedness by the solicitation of competitive bids at public sale, any such competitive bids may be delivered by electronic and/or facsimile means and/or by any other then-commercially reasonable manner for the sale of municipal obligations at competitive bid; and any notice of sale may be published solely in summary form in a newspaper of general circulation in the Town and/or in a generally recognized financial journal such as *The Bond Buyer*, or any notice of sale may be disseminated solely in electronic form and/or by any other then-commercially reasonable manner for the sale of municipal obligations, as determined by the Council in accordance with subsection (c) or subsection (d) above, as applicable.

In calculating the debt limitation set forth in this subsection (f), the Town shall use the most recent assessable basis figures provided by the State Department of Assessments and Taxation or any department or agency that is subsequently charged with assessing property values for municipal corporations pursuant to Maryland law.

(g) The power conferred on the Town under this Section shall be deemed to be additional and supplemental to any other general obligation borrowing authority granted to the Town by Maryland public general or public local law, and the Town may authorize, issue and secure any such general obligation debt in conformity with this Charter and/or any other applicable law.

(a) In order to carry out the purposes of this appendix, the municipality shall have prepared a community development block grants plan for slum or blighted areas in the municipality, and shall approve the plan formally. Prior to its approval of a community development block grants project, the municipality shall submit the plan to the planning body of the municipality for review and recommendations as to its conformity with the master plan for the development of the municipality as a whole. The planning body shall submit its written recommendation with respect to the proposed community development block grants plan to the municipality within 60 days after receipt of the plan for review. Upon receipt of the recommendation of the planning body or, if no recommendations are received within the 60 days, then without the recommendations, the municipality may proceed with a public hearing on the proposed community development block grants project. The municipality shall hold a public hearing on a community development block grants project after public notice of it by publication in a newspaper having a general circulation within the corporate limits of the municipality. The notice shall describe the time, date, place, and purpose of the hearing, shall generally identify the urban renewal area covered by the plan, and shall outline the general scope of the community development block grants project under consideration. Following the hearing, the municipality may approve a community development block grants project and the plan therefor if it finds that:

In any event, it shall be subject to whatever rights at law or in equity as a lessee or purchaser, or his successor or successors in interest, may be entitled to assert. Where the proposed modification will change substantially the community development block grants plan as approved previously by the municipality, the modification shall be approved formally by the municipality, as in the case of an original plan.

(c) Upon the approval by the municipality of a community development block grants plan or of any modification of it, the plan or modification shall be considered to be in full force and effect for the respective community development area. The municipality may have the plan or modification carried out in accordance with its terms.

Section A1-108. Disposal of Property in Community Development Area.

(a) The municipality may sell, lease, or otherwise transfer real property or any interest in it acquired by it for a community development block grants project to any person for residential, recreational, commercial, industrial, educational, or other uses or for public use, or it may retain the property or interest for public use, in accordance with the community development block grants plan and subject to whatever covenants, conditions, and restrictions, including covenants running with the land, as it considers necessary or desirable to assist in preventing the development or spread of future slums or blighted areas or to otherwise carry out the purposes of this appendix. The purchasers or lessees and their successors and assigns shall be obligated to devote the real property only to the uses specified in the community development block grants plan, and may be obligated to comply with whatever other requirements the municipality determines to be in the public interest, including the obligation to begin within a reasonable time any improvements on the real property required by the community development block grants plan. The real property or interest may not be sold, leased, otherwise transferred, or retained at less than its fair value for uses in accordance with the community development block grants plan. In determining the fair value of real property for uses in accordance with the community development block grants plan, the municipality shall take into account and give consideration to the uses provided in the plan, the restrictions upon, and the covenants, conditions, and obligations assumed by the purchaser or lessee or by the municipality retaining the property, and the objectives of the plan for the prevention of the recurrence of slum or blighted areas. In any instrument or conveyance to a private purchaser or lessee, the municipality may provide that the purchaser or lessee may not sell, lease, or otherwise transfer the real property without the prior written consent of the municipality until he has completed the construction of any or all improvements which he has obligated himself to construct on the property. Real property acquired by the municipality which, in accordance with the provisions of the community development block grants plan, is to be transferred, shall be transferred as rapidly as feasible in the public interest consistent with the carrying out of the provisions of the community development block grants plan. Any contract for the transfer and the community development block grants plan (or whatever part or parts of the contract or plan as the municipality determines) may be recorded in the land records of the county in which the municipality is situated in a manner so as to afford actual or constructive notice of it.

(b) The municipality may operate temporarily and maintain real property acquired by it in a community development area for or in connection with a community development block grants project pending the disposition of the property as authorized in this appendix, without regard to the provisions of subsection (a), for uses and purposes considered desirable even though not in conformity with the community development block grants plan.

(c) Any instrument executed by the municipality and purporting to convey any right, title, or interest in any property under this appendix shall be presumed conclusively to have been executed in compliance with the provisions of this appendix insofar as title or other interest of any bona fide purchasers, lessees, or transferees of the property is concerned.

Condemnation of land or property under the provisions of this appendix shall be in accordance with the procedure provided in the Real Property Article of the Annotated Code of Maryland.

The municipality, to the extent it determines to be feasible in carrying out the provisions of this appendix, shall afford maximum opportunity to the rehabilitation or redevelopment of any community development area by private enterprise consistent with the sound needs of the municipality as a whole. The municipality shall give consideration to this objective in exercising its powers under this appendix.

Section A1-111. General Obligation Bonds.

For the purpose of financing and carrying out of a community development block grants project and related activities, the municipality may issue and sell its general obligation bonds. Any bonds issued by the municipality pursuant to this section shall be issued in the manner and within the limitations prescribed by applicable law for the issuance and authorization of general obligation bonds by the municipality, and also within limitations determined by the municipality.

Section A1-112. Revenue Bonds.

(a) In addition to the authority conferred by Section A1-111 of this appendix, the municipality may issue revenue bonds to finance the undertaking of any community development block grants project and related activities. Also, it may issue refunding bonds for the payment or retirement of the bonds issued previously by it. The bonds shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from or held in connection with the undertaking and carrying out of community development block grants projects under this appendix. However, payment of the bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant, or contribution from the federal government or other source, in aid of any community development block grants projects of the municipality under this appendix, and by a mortgage of any

community development block grants project, or any part of a project, title to which is in the municipality. In addition, the municipality may enter into an indenture of trust with any private banking institution of this State having trust powers and may make in the indenture of trust covenants and commitments required by any purchaser for the adequate security of the bonds.

(b) Bonds issued under this section do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, are not subject to the provisions of any other law or charter relating to the authorization, issuance, or sale of bonds, and are exempted specifically from the restrictions contained in Sections 9, 10, and 11 of Article 31 of the Annotated Code of Maryland. Bonds issued under the provisions of this appendix are declared to be issued for an essential public and governmental purpose and, together with interest on them and income from them, are exempt from all taxes.

(c) Bonds issued under this section shall be authorized by resolution or ordinance of the legislative body of the municipality. They may be issued in one or more series and:

- (1) shall bear a date or dates;
- (2) mature at a time or times;
- (3) bear interest at a rate or rates;
- (4) be in a denomination or denominations;
