TITLE II Corporate Limits

Section C-2. Corporate limits.

The courses and distances showing the exact corporate limits of the City shall be filed at all times with the Clerk of the Circuit Court for Worcester County, the Commissioner of the Land Office and the Director of the Department of Legislative Reference [Services]. In addition, a copy of the courses and distances describing the corporate boundaries shall be on file in the office of the Mayor or of the City Manager. All the officials named in this section are hereby directed to file or record all such descriptions of corporate boundaries so filed with them, each in a suitable book or place, properly indexed and reasonably available for public inspection during normal business hours.

TITLE III The Council

Section C-3. Number, selection, term.

All legislative powers of the City shall be vested in a Council consisting of five Councilmen. Each Councilman shall be elected as hereinafter provided and shall hold office for a term of three years, or until the succeeding Councilman takes office. The regular term of Councilmen shall expire on the second Tuesday in April following the election of their successors. Councilmen holding office at the time this Charter becomes effective shall continue to hold office for the term for which they were elected and until the succeeding Councilmen take office under the provisions of this Charter.

Section C-4. Qualifications of Councilmembers.

Council members shall be at least twenty-one years of age, shall have resided in the City and the legislative district which they seek to represent for at least one year immediately preceding their election and shall be registered voters of the City. If a council member ceases to reside within the corporate limits, he or she must resign from office. If, however, a council member ceases to reside in the legislative district which he or she represents, and takes up residence in another district within the corporate limits, he or she must immediately resign unless there is less than twelve months remaining in the council member's term, in which case the council member will be allowed to complete the term of office. (Res. No. 153, 3-12-86; Res. No. 159, 2-19-87; Res. No. 185-A, 9-27-89; Res. No. 307, effective 8-4-98; Res. No. 324, 7-4-00; Res. No. C-03-01, 8-5-03.)

Section C-5. Salary of Councilmen.

The ordinance making any change in the salary paid the several Councilmen, either by way of increase or decrease, shall be finally ordained prior to the next municipal election for Councilmen and shall only become effective for each Councilman at the beginning of the succeeding term of office.

Section C-6. Meetings of the Council.

The Council shall meet at a convenient time and date during the first week following an election for the purpose of organization, after which the Council shall meet regularly at such times as may be prescribed by its rules, but not less frequently than once each month. Special meetings shall be called by the City Manager upon the request of the Mayor or a majority of the members of the Council. All meetings of the Council therein provided for shall be open to the public, except for special closed sessions as authorized by State Sunshine laws, and the rules of the Council shall provide that the residents of the City shall have a reasonable opportunity to be heard at any meeting in regard to any municipal question. (Res. No. 168, 10-28-87.)

At any regular or special meeting of the Council held not less than six, nor more than sixty days, after the meeting at which an ordinance or resolution was introduced, it shall be passed, or passed as amended, or rejected, or its consideration deferred to some specified future date. In cases of emergency the above requirement may be suspended by the affirmative votes of four members of the Council. Every ordinance or resolution, unless it be passed as an emergency ordinance or resolution (See note (1)) shall unless otherwise provided in the ordinance or resolution, become effective upon approval by the Mayor or passage by the Council over his veto. A fair summary of each ordinance shall be published at least once in a newspaper or newspapers having general circulation in the municipality within thirty (30) days of its effective date. The Mayor shall return all ordinances and resolutions to the City Manager within six days after delivery to him (including the days of delivery and return and excluding Sunday) with his approval or disapproval. Any ordinance approved by the Mayor shall be law. Any ordinance or

resolution disapproved by the Mayor shall be returned with a message stating the reasons for his disapproval. Any disapproved ordinance or resolution shall not become effective unless subsequently passed by a favorable vote of four-fifths of the whole Council within thirty-five calendar days from the time of the return of the ordinance or resolution. If the Mayor fails to return any ordinance or resolution within six days of the delivery as aforesaid, it shall be deemed to be approved by the Mayor and shall become effective in the same manner as an ordinance or resolution signed by him.

out of the proceeds of such special assessment. The cost of any project to be paid in whole or in part by special assessments may include the direct cost thereof, the cost of any land acquired for the project, the interest on bonds, notes or other evidences of indebtedness issued in anticipation of the collection of special assessments, a reasonable charge for the services of the administrative staff of the City, and any other item of cost which may reasonably be attributed to the project.

Section C-92. Procedure.

The procedure for special assessments, wherever authorized in this Charter, shall be as follows:

A. The cost of the project being charged for shall be assessed according to the front-foot rule of apportionment or some other equitable basis determined by the Council.

B. C. When desirable, the affected property may be divided into different classes to be charge [charged] different rates, but, except for this, any rate shall be uniform.

D. All special assessment charges shall be levied by the Council by ordinance. Before levying any special assessment charges, the Council shall hold a public hearing. The City Manager shall cause notice to be given stating the nature and extent of the proposed project, the kind of materials to be used, the estimated cost of the project, the portion of the cost to be assessed, the number of installments in which the assessment may be paid, the method to be used in apportioning the cost, and the limits of the proposed area of assessment. The notice shall also state the time and place at which all persons interested, or their agents or attorneys, may appear before the Council and be heard concerning the proposed project and special assessment. Such notice shall be given by sending a copy thereof by mail to the owner of record of each parcel of property proposed to be assessed and to the person in whose name the property is assessed for taxation and by publication of a copy of the notice at least once in a newspaper of general circulation in the City. The City Manager shall present at the hearing a certificate of publication and mailing of copies of the notice, which certificate shall be deemed proof of notice, but failure of any owner to receive the mailed copy shall not invalidate the proceedings. The date of hearing shall be set at least ten days and not more than thirty days after the City Manager shall have completed publication and service of notice, as provided in this section. Following the hearing the Council, in its discretion, may vote to proceed with the project and may levy the special assessment.

E. Any interested person feeling aggrieved by the levying of any special assessment under the provisions of this section shall have the right to appeal to the Circuit Court for the County within ten days after the levying of any assessment by the Council.

F. Special assessments may be made payable in annual or more frequent installments over such period of time, not to exceed thirty years, and in such manner as the Council may determine. The Council shall determine on what date installments shall be due and payable. Interest may be charged on installments at the rate to be determined by the Council.

G. All special assessment installments shall be overdue six months after the date on which they became due and payable. All special assessments shall be liens on the property and all overdue special assessments shall be collected in the same manner as City taxes or by suit at law.

H. All special assessments shall be billed and collected by the City Clerk.

The municipality may itself exercise all the powers granted by this appendix or may, if its legislative body by ordinance determines such action to be in the public interest, elect to have such powers exercised by a separate public body or agency as hereinafter provided. Such ordinance shall include provisions establishing the number of members of such public body or agency, the manner of their appointment and removal, the terms of said members and their compensation. The ordinance may include such additional provisions relating to the organization of said public body or agency as may be necessary. In the event the legislative body enacts such an ordinance, all of the powers by this appendix granted to the municipality shall, from the effective date of said ordinance, be vested in the public body or agency thereby established, except:

Section A1-105. Preparation and Approval of Plan for Urban Renewal Project.

(a) The municipality, in order to carry out the purposes of this appendix, shall prepare or cause to be prepared an urban renewal plan for slum or blighted areas in the municipality, and shall formally approve such plan. Prior to its approval of an urban renewal project, the municipality shall submit such plan to the planning body of the municipality, for review and recommendations as to its conformity with the master plan for the development of the municipality as a whole. The planning body shall submit its written recommendation with respect to the proposed urban renewal plan to the municipality within sixty days after receipt of the plan for review; upon receipt of the recommendations of the planning body or, if no recommendations are received within said sixty days, then without such recommendations, the municipality may proceed with a public hearing on the proposed urban renewal project. The municipality shall hold a public hearing on an urban renewal project after public notice thereof by publication in a newspaper having a general circulation within the corporate limits of the municipality. The notice shall describe the time, date, place and purpose of the hearing, shall generally identify the urban renewal area covered by the plan, and shall outline the general scope of the urban renewal project under consideration. Following such hearing, the municipality may approve an urban renewal project and the plan therefor if it finds that: (1) a feasible method exists for the location of any families who will be displaced from the urban renewal area in decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families; (2) the urban renewal plan substantially conforms to the master plan of the municipality as a whole; and (3) the urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise.

(b) An urban renewal plan may be modified at any time, provided that if modified after the lease or sale of real property in the urban renewal project area, the modification may be conditioned upon such approval of the owner, lessee or successor in interest as the municipality may deem advisable and in any event shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest, may be entitled to assert. Where the proposed modification will substantially change the urban renewal plan as previously approved by the municipality, the modification shall be formally approved by the municipality as in the case of an original plan.

(c) Upon the approval by the municipality of an urban renewal plan or of any modification thereof, such plan or modification shall be deemed to be in full force and effect for the respective urban renewal area and the municipality may then cause such plan or modification to be carried out in accordance with its terms.

Section A1-106. Disposal of Property in Urban Renewal Area.

(a) The municipality may sell, lease or otherwise transfer real property or any interest therein acquired for it by an urban renewal project, for residential, recreational, commercial, industrial, educational or other uses or for public use, or may retain such property or interest for public use, in accordance with the urban renewal plan, subject to such covenants, conditions and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of future slums or blighted area or to otherwise carry out the purposes of this appendix. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin within a reasonable time any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, the municipality shall take into account and give consideration to the uses provided in such plan; the restrictions upon, and the covenants, conditions and obligations assumed by the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of slum or blighted areas. The municipality in any instrument of conveyance [conveyance] to a private purchaser or lessee may provide that such purchaser or lessee shall be without power to sell, lease or otherwise transfer the real property without the prior written consent of the municipality until he has completed the construction of any or all improvements which he has obligated himself to construct thereon. Real property acquired by the municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible in the public interest consistent with the carrying out of the provisions of the urban renewal plan. Any contract for such transfer and the urban renewal plan (or such part or parts of such contract or plan as the municipality may determine) may be recorded in the Land Records of the county in which the municipality is situated in such manner as to afford actual or constructive notice thereof.

(b) The municipality may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe or as hereinafter provided in this appendix. The municipality may, by public notice by publication in a newspaper having a general circulation in the community (not less than sixty days prior to the execution of any contract to sell, lease or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section) invite proposals from and make available all pertinent information to private redevelopers or any persons interested in undertaking to redevelop or rehabilitate an urban renewal area, or any part thereof. Such notice shall identify the area, or portion thereof, and shall

state that proposals shall be made by those interested within a specified period of not less than sixty days after the first day of publication of said notice, and that such further information as is available may be obtained at such office as shall be designated in said notice. The municipality shall consider all such redevelopment or rehabilitation proposals and the financial and legal ability of the persons making such proposal to carry them out, and may negotiate with any persons for proposals for the purchase, lease or other transfer of any real property acquired by the municipality in the urban renewal area. The municipality may accept such proposal as it deems to be in the public interest and in furtherance of the purposes of this appendix. Thereafter, the municipality may execute and deliver contracts, deeds, leases and other instruments and take all steps necessary to effectuate such transfers.

(c) The municipality may temporarily operate and maintain real property acquired by it in an urban renewal area for or in connection with an urban renewal project pending the disposition of the property as authorized in this appendix, without regard to the provisions of sub-section (a) above, for such uses and purposes as may be deemed desirable even though not in conformity with the urban renewal plan.

(d) Any instrument executed by the municipality and purporting to convey any right, title or interest in any property under this appendix shall be conclusively presumed to have been executed in compliance with the provisions of this appendix insofar as title or other interest of any bona fide purchaser, lessees or transferees of such property is concerned.

Section A1-107. Eminent Domain.

Condemnation of land or property under the provisions of this appendix shall be in accordance with the procedure provided in the Real Property Article of the Annotated Code of Maryland.

Section A1-108. Encouragement of Private Enterprise.

The municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this appendix, shall afford maximum opportunity, consistent with the sound needs of the municipality as a whole, to the rehabilitation or redevelopment of any urban renewal area by private enterprise. The municipality shall give consideration to this objective in exercising its powers under this appendix.

Section A1-109. General Obligation Bonds.

For the purpose of financing and carrying out of an urban renewal project and related activities, the municipality may issue and sell its general obligation bonds. Any bonds issued by the municipality pursuant to this section shall be issued in the manner and within the limitations prescribed by applicable law for the issuance and authorizations of general obligation bonds by such municipality, and also within such limitations as shall be determined by said municipality.

Section A1-110. Revenue Bonds.

(a) In addition to the authority conferred by Section A1-109 of this appendix, the municipality shall have the power to issue revenue bonds to finance the undertaking of any urban renewal project and related activities, and shall also have power to issue refunding bonds for the payment or retirement of such bonds previously issued by it. Such bonds shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from or held in connection with its undertaking and carrying out of urban renewal projects under this appendix; provided, however, that payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant or contribution from the Federal Government or other source, in aid of any urban renewal projects of the municipality under this appendix, and by a mortgage of any such urban renewal projects, or any part thereof, title to which is in the municipality. In addition, the municipality may enter into an Indenture [Indenture] of Trust with any private banking institution of this State having trust powers and may make in such indenture of trust such covenants and commitments as may be required by any purchaser for the adequate security of said bonds.

(b) Bonds issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, shall not be subject to the provisions of any other law or charter relating to the authorization, issuance or sale of bonds, and are hereby specifically exempted from the restrictions contained in Sections 9, 10 and 11 of Article 31 of the Annotated Code of Maryland (1957 Edition, as amended). Bonds issued under the provisions of this Article are declared to be issued for an essential public and governmental purpose and, together with interest thereon and income therefrom, shall be exempted from all taxes.

(c) Bonds issued under this section shall be authorized by resolution or ordinance of the legislative body of the municipality and may be issued in one or more series and shall bear such date or dates, shall mature at such time or times, bear interest at such rate or rates, not exceeding six per centum per annum, be in such denomination or denominations, be in such form either with or without coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium or payment, at such place or places, and be subject to such terms of redemption (with or without premium), be secured in such manner, and have such other characteristics, as may be provided by such resolution or trust indenture or mortgage issued pursuant thereto.
