The Council

Section C-301. Number, Selection, Term.

All legislative powers of the City shall be vested in a Council consisting of seven Councilpersons who shall be elected as hereinafter provided. Newly elected Councilpersons shall take office on the first Monday in October following election. Each Councilperson holding office at the time this Charter becomes effective shall continue to hold office for the term for which he was elected or until his successor is elected and takes office under the provisions of this Charter.

Section C-302. Qualifications of Councilpersons.

Councilpersons shall have resided in the City for at least one year immediately preceding their election and shall have been qualified registered voters of the City for one (1) year. Councilpersons shall maintain a permanent residence in the City during their term of office. The minimum age for City Councilpersons shall be twenty-one years of age.

Section C-303. Salary of Councilpersons.

Each Councilperson shall receive an annual salary which shall be as specified from time to time by an ordinance passed by the Council in the regular course of its business; provided, however, that the salary specified at the time any Council [Councilperson] takes office shall not be changed during the period for which that council was elected and further provided that such a salary ordinance be approved by the majority of the qualified voters of the municipality voting thereon at a regular or special municipal election. The ordinance making any change in the salary paid to the several Councilpersons, either by way of increase or decrease, shall be finally ordained prior to the municipal election for the members of the next succeeding Council and shall take effect only as to the members of the next succeeding Council.

Section C-304. Meeting of the Council.

The newly elected Council shall meet on the second Monday following its election for the purpose of organization, after which the Council shall meet regularly at such times as may be prescribed by its rules but not less frequently than once each month. Special meetings shall be called at the request of the Mayor or four or more Council members. All meetings of the Council shall be open to the public, and the rules of the Council shall provide that residents of the City shall have a reasonable opportunity to be heard at any meeting in regard to any municipal question. Nothing contained herein shall be construed to prevent any such body from holding an executive session from which the public is excluded but no ordinance, resolution, rule or regulation shall be finally adopted at such an executive session.

Section C-305. Vice-Mayor and President Pro Tem.

The Council shall elect a President of the Council from among its members who shall act as Vice-Mayor in the absence of the Mayor. In the event that the designated President shall be absent at any meeting of the Council, any member of the Council may be designated by the Council President Pro Tem for such meeting. The President, when acting as Vice-Mayor, shall have only such ceremonial duties as may be assigned to him by the Mayor and shall not exercise any of the power and duties of the Mayor as hereinafter set forth.

Section C-306. Quorum.

Four members of the Council shall constitute a Quorum for the transaction of business. No ordinance shall be approved nor any other action taken without the favorable votes of a majority of the members of the Council present and voting.

Section C-307. Procedure of Council.

The Council shall determine its own rules and order of business. It shall keep minutes of its proceedings and enter therein the yeas, nays, or abstentions upon final action of any question, resolution, or ordinance, or at any other time if required by any one member. The minutes shall be open to public inspection after adoption.

Section C-308. Vacancies.

The office of the Mayor or a Councilperson shall become vacant upon his death, resignation, removal from office in any manner authorized by law or forfeiture of his office.

Section C-309. Filling of Vacancies.

A vacancy in the office of Mayor or Councilperson shall be filled by a person who meets the qualifications set forth in Sections C-302 and C-609 of this Charter. In event of a vacancy in the office of the Mayor or Councilperson the Council shall publish an advertisement in a newspaper of general circulation in the City. The advertisement shall provide public notice of the vacancy and shall solicit qualified persons to submit, on or before a date specified in the notice, letters of interest for consideration to fill the vacancy. The notice also shall state that each letter of interest must be accompanied by the candidate's resume and a petition as specified below. Concurrently with the publication of the advertisement the Council also shall mail a notice that contains information substantially similar to the published notice. The mailed notice shall be sent to all registered voters in the City, except that when the vacancy is to fill the position of Councilperson from one of the Councilmanic subdivisions specified in Section C-609, notice shall be mailed only to the registered voters in that Councilmanic subdivision. Each candidate to fill a vacancy shall file the candidate's letter of interest, resume and a petition that satisfies the requirements of Section C-610 with the office of the City Clerk on or before the date specified in the notice. Following the date specified in the notice for the filing of applications to fill a vacancy, the Council shall conduct a public review of all qualified candidates who have submitted the required letters of interest, resumes and petitions. This public review may include a public hearing for public comment on the candidates. After the Council completes its public review, the Council may appoint some person qualified in accordance with Section C-302 and Section C-609. The Council also may reject all candidates and repeat the process established in this section until the Council appoints a qualified person to fill the vacancy. A vacancy shall be filled by the favorable votes of a majority of the remaining members of the Council and the results of such votes shall be recorded in the minutes of the Council. A person appointed to fill a vacancy shall serve until the next regularly scheduled election.

Section C-310. Forfeiture of Office.

The Mayor or a Council person [Councilperson] shall forfeit his office if he (1) lacks at any time during his term of office any qualification for the office prescribed by this Charter or by law, (2) violates any express prohibition of this Charter, (3) is convicted of a felony, or (4) fails to attend three consecutive regular meetings of the Council without being excused by the Council.

Section C-311. Ordinances.

No ordinance shall be passed at the meeting at which it is introduced. At any regular or special meeting of the Council held not less than six or more than sixty days after the meeting at which an ordinance was introduced, it shall be passed, or passed as amended, or rejected, or its consideration deferred to some specified future date. In cases of emergency the provision that an ordinance may not be passed at the meeting at which it is introduced may be suspended by the affirmative votes of four members of the Council. Every ordinance, unless it be passed as an

emergency ordinance, shall become effective at the expiration of twenty calendar days following approval by the Mayor or passage by the Council over his veto. A fair summary of each ordinance shall be published at least twice in a newspaper or newspapers having general circulation in the municipality following passage. An emergency ordinance shall become effective on the date specified in the ordinance, but no ordinance shall become effective until approved by the Mayor or passed over his veto by the Council. (Res. No. R-13-12, 1-22-13.)

Section C-312. Emergency Ordinance.

To meet a public emergency affecting life, health, property or the public peace, the Council may adopt one or more emergency ordinances, but such ordinances may not levy taxes, grant, renew or extend a franchise, regulate the rate charged by any public utility for its services or authorize the borrowing of money except as provided in Article VIII. An emergency ordinance shall be introduced in the form and manner prescribed for ordinances generally, except that it shall be plainly designated as an emergency ordinance and shall contain, after the enacting clause, a declaration stating that an emergency exists and describing it in clear and specific terms. An emergency ordinance may be adopted with or without amendment or rejected at the meeting at which it is introduced, but the affirmative vote of at least five members shall be required for adoption. After its adoption the ordinance shall be published and printed as prescribed for other adopted ordinances. It shall become effective upon the adoption or at such time as it may specify. Every emergency ordinance shall automatically stand repealed as of the 61st day following the date on which it was adopted, but this shall not prevent re-enactment of the ordinance in the manner specified in this section if the emergency still exists. An emergency ordinance may also be repealed by adoption of a repealing ordinance in the same manner specified in this section for adoption of emergency ordinances.

Section C-313. Veto.

All ordinances passed by the Council shall be promptly delivered to the Mayor for his approval or disapproval. If the Mayor approves any ordinance, he shall sign it. If the Mayor disapproves any ordinance, he shall not sign it. The Mayor shall return all ordinances to the City Clerk within six days after delivery to him (excluding the first day, including the last day, and excluding any Sunday) with his approval or disapproval. Any ordinance approved by the Mayor shall be law. Any ordinance disapproved by the Mayor shall be returned with a message stating the reasons for his disapproval. Any disapproved ordinance shall not become a law unless subsequently passed by a favorable vote from five members of the whole Council within thirty-five calendar days from the time of the return of the ordinance. If the Mayor fails to return any ordinance within six days of its delivery, it shall be deemed to be approved by the Mayor and shall become law in the same manner as an ordinance signed by him.

Section C-314. Advisory Boards and Commission [Commissions].

The Mayor, with Council consent, shall have the power to appoint and dissolve boards and commissions to act in advisory capacity to the City Council as required by law or as it may deem necessary for the good government of the City. The ordinance making any change in the salary paid to the Mayor, either by way of increase or decrease shall be finally ordained prior to the municipal election for the members of the next succeeding Council.

(a) *Powers*; the municipality, in order to carry out the purposes of this appendix, shall prepare and cause to be prepared, an urban renewal plan for slum or blighted areas in the municipality, and shall formally approve such plan. Prior to its approval of an urban renewal project, the municipality shall submit such plan to the governing body of the municipality, for review and recommendations as to its conformity with the master plan for the development of the municipality as a whole. The planning body shall submit its written recommendation with respect to the proposed urban renewal plan to the municipality within sixty days after receipt of the plan for review; upon receipt of the recommendations of the planning body or, if no recommendations are received within said sixty days, then proceed with a public hearing on the proposed urban renewal project. The municipality shall hold a public hearing on an urban renewal project after public notice thereof by publication in a newspaper having a general circulation within the corporate limits of the municipality. The notice shall describe the time, place and purpose of the hearing, shall generally identify the urban renewal area covered by the plan, and shall outline the general scope of the urban renewal project under consideration. Following the hearing, the municipality may approve an urban renewal project and the plan therefor, if it finds that: (1) A feasible method exists for the location of any families who will be displaced from the urban renewal area in decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families; (2) the urban renewal plan substantially conforms to the master plan of the municipality as a whole; and (3) the urban renewal plan affords maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise.

(b) *Change*. An urban renewal plan may be modified at any time, provided that if modified after the lease or sale of real property in the urban renewal project area, the modification may be conditioned upon such approval of the owner, lessee or successor in interest as the municipality may deem advisable and in any event shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest, may be entitled to assert. Where the proposed modification will substantially change the urban renewal plan as previously approved by the municipality, the modification shall be formally approved by the municipality as in the case of the original plan.

(c) *Effect*. Upon the approval by the municipality of an urban renewal plan or of any modification thereof, such plan or modification shall be deemed to be in full force and effect for the respective urban renewal area and the municipality may then cause such plan or modification to be carried out in accordance with its terms.

Section A1-106. Disposal of Property in Urban Renewal Area.

(a) *Powers.* The municipality may sell, lease or otherwise transfer real property or any interest therein acquired for it by an urban renewal, project, for residential, recreational, commercial, industrial, educational or other uses or for public use, or may retain such property or interest for public use, in accordance with the urban renewal plan, subject to such covenants, conditions and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of future slums or blighted area or to otherwise carry out the purposes of this appendix. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin within a reasonable time any improvements on such real property required by the urban renewal plan; such real property or interest as such, shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, the municipality shall take into account and give consideration to the uses provided in such plan; the restrictions upon, and the covenants, conditions and obligations assumed by the purchaser or objectives of such plan for the prevention of the recurrence of slum or blighted areas. The municipality in any instrument of conveyance to a private purchaser or lessee may provide that such purchaser or lessee shall be without power to sell, lease or otherwise transfer the real property without the prior written consent of the municipality until he has completed the construction of any or all improvements which he has obligated himself to construct thereon. Real property acquired by the municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible in the public interest consistent with the carrying out of the provisions of the urban renewal plan. Any contract for such transfer and the urban renewal plan (or parts of the contract or plan as the municipality may determine) may be recorded in the land records of the county in which the municipality is situated in such manner as to afford actual or constructive notice thereof.

(b) *Procedure.* The municipality may dispose of real property in such an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe as hereinafter provided in this appendix. The municipality may, by public notice by publication in a newspaper having a general circulation in the community (not less than sixty days prior to the execution of any contract to sell, lease or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section) invite proposals from and make available all pertinent information to private redevelopment or redevelopers or any persons interested in undertaking to develop or rehabilitate an urban renewal area, or any part thereof, and shall state that proposals shall be made by those interested within a specified period of not less than sixty days after the first day of publication of said notice. The municipality shall consider all such redevelopment or rehabilitation proposals and the financial and legal ability of the persons making such proposals to carry them out, and may negotiate with any persons for proposals for the purchase, lease or the otherwise transfer of any real property acquired by the municipality in the urban renewal area. The municipality may accept such proposals as it deems to be in the public interest and in furtherance of the purposes of this appendix. Thereafter, the municipality may execute and deliver contracts, deeds, leases and other instruments and take all steps necessary to effectuate such transfers.

(c) *Temporary operation.* The municipality may temporarily operate and maintain real property acquired by it in an urban renewal area for or in connection with an urban renewal project pending the disposition of the property as authorized in this appendix, without regard to the provisions of subsection (a) above, for such uses and purposes as may be deemed desirable even though not in conformity with the urban renewal plan.

(d) *Title.* Any instrument executed by the municipality and purporting to convey any right, title or interest in any property under this appendix shall be conclusively presumed to have been executed in compliance with the provisions of this appendix insofar as title or other interest of any bona fide purchaser lessees or transferees of such property is concerned.

(e) *Residential property.* In the event that urban renewal plans involve removal or residential housing, provision and plans must be made for their replacement with adequate facilities for the residents so displaced.

Section A1-108. Encouragement of Private Enterprise.

The municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this appendix, shall afford maximum opportunity, consistent with the sound needs of the municipality as a whole, to the rehabilitation or redevelopment of any urban renewal area by private enterprise. The municipality shall give consideration to this objective in exercising its powers under this appendix.

Section A1-109. General Obligation Bonds.

For the purpose of financing and carrying out of an urban renewal project and related activities, the municipality may issue and sell its general obligation bonds. Any bonds issued by the municipality pursuant to this section shall be issued in the manner and within the limitations prescribed by applicable law for the issuance and authorizations of general obligations bonds by such municipality, and also within such limitations as shall be determined by said municipality.

In addition, the municipality may enter into an indenture of trust with any private banking institution of this State having trust with any private banking trust powers and may make in such indenture of trust such covenants and commitments as may be required by any purchaser for the adequate security of such bonds.

Bonds issued under the provisions of the article are declared to be issued for an essential public and governmental purpose and, together with interest thereon and income therefrom, shall be exempted from all taxes.

(c) *Issue.* Bonds issued under this section shall be authorized by resolution or ordinance of the legislative body of the municipality and may be issued in one or more series and shall bear such date or dates, shall mature at such time or times, bear interest at such rate or rates, not exceeding six per centum per annum, be in such denomination or denominations, be in such form either with or without coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium or payment, at such place or places, and be subject to such terms of redemption (with or without premium), be secured in such manner, and have such other characteristics, as may be provided by such resolution or trust indenture or mortgage issued pursuant thereto.

(d) *Sale.* Such bonds may be sold at not less than par at public sales held after notice published prior to such sale in a newspaper having a general circulation in the area in which the municipality is located and in such other medium of publication as the municipality may determine or may be exchanged for other bonds on the basis of par; provided, that such bonds may be sold to the federal government at private sale at not less than par, and, in the event less than all of the authorized principal amount of such bonds is sold to the federal government, the balance may be sold at private sale at the par and at an interest cost to the municipality of the portion of the bonds sold to the Federal Government.

(e) *Officials.* In case any of the public officials of the municipality whose signatures appear on any bonds or coupons issued under this appendix shall cease to be such officials before the delivery of such bond or, in the event any such officials shall have become such after the date of issue thereof, said bonds shall nevertheless be valid and binding obligations of said municipality in accordance with their terms. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this appendix shall be fully negotiable.

(f) *Suits.* In any suit, action or proceeding involving the validity of enforcement of any bond issued under this appendix or the security therefor, any such bond reciting in substance that it has been issued by the municipality in connection with an urban renewal project, as herein

defined, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located and carried out in accordance with the provisions of this appendix.

Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Nothing contained in this section with regard to legal investments shall be construed as relieving any duty or exercising reasonable care in selecting securities. (Ch. 280, 1969.)
