### **How MML Legislative Priority Issues Are Selected**

1. The League shall inform all member municipalities, chapters, and departments that they may **submit up to three legislative requests each for consideration** as MML initiatives before the Maryland General Assembly by a deadline selected by the League.
2. The staff reviews these requests and prepares background information for the Legislative Committee.
3. The Legislative Committee meets to discuss these requests and to consider MML priority issues not resolved during the previous session.
4. A legislative request that is the same or as substantially similar to a request that has previously been considered and rejected by the committee twice within a four-year period coinciding with the current term of the General Assembly shall be excluded from consideration by the committee.
5. The LAR submission form requires verification that the elected body of a municipality or the membership of a chapter or department has endorsed a legislative request prior to submission.
6. The committee shall limit legislative sponsorship proposals to the membership for consideration at the fall conference to no more than four (4) non-prioritized items and limit the proposals adopted by the membership to four (4).
