(b) No property within the corporate limits of the town shall be rezoned to more intensive use without the consent of the council.

(c) Upon the zoning or rezoning of any land or lands within the corporate limits, the council may impose such additional restrictions, conditions, or limitations as may be deemed appropriate to preserve, improve, or protect the general character and design of the lands and improvements being zoned or rezoned, or of the surrounding or adjacent lands and improvements, and may retain the power to approve or disapprove the design of buildings, construction, landscaping, or other improvements and changes made or to be made on the subject land or lands. Appropriate enforcement procedures and requirements for adequate notice of public hearings and conditions sought to be imposed shall be provided for by ordinance.

(56) *Saving clause.* The enumeration of powers in this section is not to be construed as limiting the powers of the town to the several subjects mentioned. (Reso. 4-26-71; Reso. 2-12-01 #11, 4-3-01; Reso. 2-12-01 #12, 4-3-01; Reso. 2-12-01 #13, 4-3-01.)

(b) (1) The council may provide that violations of any municipal ordinance shall be a municipal infraction unless that violation is declared to be a felony or misdemeanor by the laws of the state or other ordinance. For purposes of this article a municipal infraction is a civil offense.

(2) A fine not to exceed \$100 may be imposed for each conviction of a municipal infraction. The fine is payable by the offender to the town of Garrett Park, Maryland, within 20 days of receipt of a citation. Repeat offenders may be assessed a fine not to exceed \$200 for each repeat offense, and each day a violation continues shall constitute a separate offense.

(3) Any person receiving a citation for an infraction may elect to stand trial for the offense by notifying the town clerk-treasurer of this intention at least five days prior to the date set for payment of the fine. Failure to pay the fine or to give notice of intent to stand trial may result in an additional fine or adjudication by the court.

(4) Adjudication of a municipal infraction is not a criminal conviction for any purpose, nor does it impose any of the civil disabilities ordinarily imposed by a criminal conviction. (Reso. 4-26-71; Reso. 4-11-83.)

Such provision of funds in the budget will be termed the “capital account.” Sufficient funds shall be set aside in a reserve to be available for appropriation for unanticipated or extraordinary expenses that may be incurred in either the operating account or the capital account. The budget shall provide that total expenditures shall not exceed total revenues, borrowings, and reserves, including balances from prior years.

(b) *Adoption.* Prior to adoption of the budget the council shall hold a public hearing thereon after five days notice of such hearing has been given by posting in a public place within the town or by publication in a paper having general circulation within the town. No officer or employee during any budget year may expend or contract to expend any money or incur any liability or enter into any contract which by its terms involves the expenditure of money for any purpose in excess of the amounts appropriated for or transferred to that general classification of expenditure pursuant to this Charter. Any contract, verbal or written, made in violation of this Charter is null and void. Nothing in this section contained, however, prevents the making of contracts or the spending of money for capital improvements to be financed in whole or in part by the issuance of bonds, nor the making of contracts or lease or for services for a period exceeding the budget year in which the contract is made, when the contract is permitted by law. (Reso. 4-26-71.)

Section 78-35. Appropriations lapse after one year.

All appropriations lapse at the end of the budget year to the extent that they are not expended or lawfully encumbered, except for funds appropriated to the capital account, which shall remain available until expended. Section 78–39. Notice of tax levy.

Immediately after the levy is made by the council in each year, the clerk–treasurer shall give notice of the making of the levy by posting a notice thereof in some public place or places in the town. He shall make out and mail or deliver in person to each taxpayer or his agent at his last known address a bill or account of the taxes due from him. This bill or account shall contain a statement of the amount of real and personal property with which the taxpayer is assessed, the rate of taxation, the amount of taxes due, and the date on which the taxes will bear interest. Failure to give or receive any notice required by this section shall not relieve any taxpayer of the responsibility to pay on the dates established by this Charter all taxes levied on his property. (Reso. 4–26–71.)

During the first six months of any fiscal year, the town may borrow in anticipation of the collection of the property tax levied for that fiscal year, and may issue tax anticipation notes or other evidences of indebtedness as evidence of such borrowing. Such tax anticipation notes or other evidences of indebtedness shall be a first lien upon the proceeds of such tax and shall

mature and be paid not later than six months after the beginning of the fiscal year in which they are issued. No tax anticipation notes or other evidences of indebtedness shall be issued which will cause the total tax anticipation indebtedness of the town to exceed fifty per centum of the property tax levy for the fiscal year in which the notes or other evidences of indebtedness are issued. All tax anticipation notes or other evidences of indebtedness shall be authorized by ordinance before being issued. The council shall have the power to regulate all matters concerning the issuance and sale of tax anticipation notes. (Reso. 4-26-71.)

Section 78-45. Payment of indebtedness.

The power and obligation of the town to pay any and all bonds, notes, or other evidences of indebtedness issued by it under the authority of this Charter shall be unlimited and the town shall levy ad valorem taxes upon all the taxable property of the town for the payment of such bonds, notes, or other evidences of indebtedness and interest thereon without limitation of amount. The faith and credit of the town is hereby pledged for the payment of the principal of and the interest on all bonds, notes, or other evidences of indebtedness issued under the authority of this Charter, whether or not such pledge be stated in the bonds, notes, or other evidences of indebtedness, or in the ordinance authorizing their issuance. (Reso. 4-26-71.)

Section 78-46. Referendum required for bond issues.

Every resolution or ordinance authorizing the issuance of general obligation bonds shall be submitted to a referendum of the qualified voters of the town. No bonds shall be issued pursuant to such resolution unless approved by a majority of the qualified voters voting on the referendum. (Reso. 4-26-71.)

(Reso. 4-26-71.)

(a) *Provided.* The procedure for special assessments, wherever authorized in this Charter, is as provided in this section.

(b) *Assessment of cost.* The cost of the project being charged for shall be assessed according to the front foot rule of apportionment or some other equitable basis determined by the council.

(c) *Amount.* The amount assessed against any property for any project or improvement shall not exceed the value of the benefits accruing to the property therefrom, nor shall any special assessment be levied which causes the total amount of special assessments levied by the town and outstanding against any property at any time, exclusive of delinquent installments, to exceed twenty-five per centum of the assessed value of the property after giving effect to the benefit accruing thereto from the project or improvement for which assessed.

(d) *Uniformity of rates.* When desirable, the affected property may be divided into different classes to be charged different rates, but, except for this, any rate shall be uniform.

Such notice shall be given by sending a copy thereof by mail to the owner of record of each parcel of property proposed to be assessed and to the person in whose names the property is assessed for taxation and by publication of a copy of the notice at least once in a newspaper of general circulation in the town. The clerk–treasurer shall present at the hearing a certificate of publication and mailing of copies of the notice, which certificate shall be deemed proof of notice, but failure of any owner to receive the mailed copy shall not invalidate the proceedings. The date of hearing shall be set at least ten and not more than thirty days after the clerk–treasurer shall have completed publication and service of notice as provided in this section. Following the hearing the council, in its discretion, may vote to proceed with the project and may levy the special assessment.

(f) *Right to appeal.* Any interested person feeling aggrieved by the levying of any special assessment under the provisions of this section shall have the right to appeal to the circuit court for the county within ten days after the levying of any assessment by the council.

The council shall determine on what date installments shall be due and payable. Interest may be charged on installments at the rate to be determined by the council.
