ARTICLE I Incorporation; Corporate Limits

Section 1. City incorporated; general powers.

The inhabitants of the City of Rockville, Montgomery County, are a body corporate by the name of “The Mayor and Council of Rockville”, and by that name may have perpetual succession, sue and be sued, and have and use a common seal. (Res. No. 8-78; Res. No. 24-60; Mont. Co. Code 1972, § 72-1.)

Section 2. Boundaries.

The limits of said City shall be as they existed immediately prior to the effective date of this section, subject to all rights, reservations, limitations and conditions as may be set forth in all prior resolutions of annexation and in the Charter of the City in effect immediately prior to the effective date of this section, and as they may be hereafter amended as provided by law. A description of the corporate boundaries shall be maintained on file with the City Clerk. (Res. No. 8-78; Mont. Co. Code 1972, § 72-2.) (See note (1))

ARTICLE II The Mayor and Council

Section 1. Number, Selection, Term, Qualification, and Payment.

a. All legislative powers of the City of Rockville shall be vested in a council consisting of a Mayor and four Councilmembers, who shall be elected as hereinafter provided in Article III, Section 5 and who shall hold office for a term of two years or until the succeeding Council takes office. Councilmembers holding office at the time this section becomes effective shall continue to hold office for the term for which they were elected and until the succeeding Council takes office.

b. The Mayor and Councilmembers shall be registered voters and shall have resided in the city for at least one year immediately preceding their election.

c. A procedure for establishing the annual compensation of the Mayor and each of the four (4) Councilmembers shall be established by ordinance; provided, however, that the compensation specified at the time any member of the Council takes office shall not be changed during the period for which that member of the Council was elected. (Res. No. 8-78; Res. No. 7-77; Res. No. 10-76; Res. No. 55-63; Res. No. 24-60; Mont. Co. Code 1972, § 72-3; Res. No. 3-84, 3-13-84; Res. No. 10-87, 6-30-87; Res. No. 20-94, 1-17-95.)

Section 2. Meetings; Qualification of Members; Presiding Officer; Procedures.

a. The Council shall meet at some convenient public place in said City as often as may be necessary to discharge the duties of its office, not less, however, than once in every month. After its election, the newly elected Mayor and Council shall meet prior to December 1. All meetings, together with the agenda therefor, must be given reasonable public notice.

b. The Council shall be the judge of the election and qualification of its members.

c. The Mayor shall preside at all meetings of the Council and may take part in all discussions and shall participate, when present, in all votes of the Council. In the event of the absence of the Mayor at any meeting, the members of the Council shall elect one of their own members to preside during such absence, who shall, for the time being, be clothed with all the powers and authority of said Mayor. A majority of the members of the Council shall constitute a quorum for the transaction of business, and the Council shall pass rules and by-laws for its own government while in session.

d. The Council shall determine its own order of business. It shall keep a journal of its proceedings and enter therein the yeas and nays upon final action on any question, resolution, or ordinance, or at any other time if required by any one member. The journal shall be open to public inspection. No final action may be taken on any question, resolution, or ordinance except at open session.

e. No ordinance shall be passed at the meeting at which it is introduced. If, at the meeting at which an ordinance is introduced, two or more members of the Council so request, a public hearing shall be required as herein provided prior to action thereon. Public hearings on ordinances shall be held by the Council, when required, only after first having given public notice in a newspaper of general circulation in the City of Rockville once a week for two successive weeks, the last such notice to appear at least ten (10) days prior to the public hearing. Such public notice shall generally summarize the contents of the proposed ordinance, and shall specify the time and place of the public hearing to be held thereon. Such public hearing shall be conducted by the Council, when required, under such procedures as it shall, in its discretion, establish. After the ordinance is introduced, it shall lay over for at least one week, after which it may be brought up for discussion, amendment, or final action, except in the case of an ordinance for which a public hearing is required, in which case it may not be brought up until after the required public hearing. The published agenda for the meeting at which final action takes place on any ordinance shall contain the descriptive title of the ordinance, and such description [descriptive] titles shall be published and permanently filed by the City Clerk and shall be kept available for public inspection. The provision that an ordinance may not be passed at the meeting at which it was introduced and the provision for inclusion of the descriptive title of the ordinance on the published agenda for the meeting of the Council may be suspended by the affirmative vote of four members of the Council. All ordinances passed by the Council shall become effective immediately unless otherwise specified. (Res. No. 8-78; Res. No. 42-70; Res. No. 24-60; Mont. Co. Code 1972, § 72-4; Res. No. 10-87, 6-30-87; Res. No. 2-01, 4-17-00.)

Section 3. Nominations.

No person's name shall be placed on the ballot as a candidate for any elective public office in the government of the City of Rockville unless such person shall be nominated by petition in conformity with the requirements herein. A candidate shall be deemed to have been nominated by petition when such candidate, or the authorized agent of such candidate, files at least sixty (60) calendar days preceding the general or special election at which election is sought, with the Board of Supervisors of Elections, a certificate signed by at least one hundred (100) qualified voters containing the name of the candidate, a statement of the office to which election is sought, a statement that the signers request that the name of the candidate be placed on the ballot, and any other additional information that shall be prescribed, from time to time, by the Board of Supervisors of Elections. Code 1972, § 72-8; Res. No. 11-87, 6-30-87; Res. No. 13-97, 8-5-97; Res. No. 3-01, 4-17-01.) (See note (3))

Section 4. Election of Mayor and Council.

On the last Monday in April in every even numbered year, the qualified voters of the City shall elect one person as Mayor and four persons as Councilmembers to serve for terms of two years or until the succeeding Council takes office. After the election to be held on April 30, 1984, the qualified voters of the City shall elect one person as Mayor and four persons as Councilmembers to serve for terms of two years on the next Tuesday after the first Monday in the month of November in every odd numbered year. (Res. No. 8-78; Res. No. 24-60; Mont. Co. Code 1972, § 72-9; Res. No. 2-84, 3-13-84.)

Section 5. Vacancies in Offices of Mayor and Council.

a. In case of a vacancy on the Council by reason of death, resignation, removal from the City, or otherwise not occurring within the last twelve (12) months of the term, the vacancy shall be filled by special election as provided by ordinance. In case of a vacancy on the Council for any of the aforesaid reasons, occurring within the last twelve (12) months of the term, the Mayor and Council shall elect, by the favorable votes of a majority of the remaining members of the Mayor and Council, some qualified person to fill such vacancy for the unexpired term. The results of any such vote shall be recorded in the minutes of the Mayor and the Council.

b. In case of a vacancy in the office of Mayor not occurring within the last twelve (12) months of the term by reason of death, resignation, removal from the City, or otherwise, the vacancy shall be filled by special election as provided by ordinance. In case of a vacancy in the

office of the Mayor for any of the aforesaid reasons, occurring within the last twelve (12) months of the term, the Council shall elect, by unanimous vote, some qualified person, including an incumbent Councilmember, to fill the vacancy for the remainder of the unexpired term. In the event the Council has not elected a new Mayor, by unanimous vote, within fourteen (14) days of the creation of the vacancy, the Council shall appoint a new Mayor, who is qualified for the office, in accordance with the following order of succession:

1. The Councilmember with the highest vote total in the last election; or
2. The Councilmember with the most seniority on the Council, however, if more than one councilmember shares the most seniority, the councilmember receiving the highest number of votes in the most recent election shall be deemed to be most senior for the purposes of this provision.

If none of the officials in the foregoing list are willing or able to serve as Mayor, then the members of the Council shall elect some qualified person as Mayor by majority vote for the remainder of the unexpired term. (Res. No. 8-78; Res. No. 24-60; Mont. Co. Code 1972, § 72-12; Res. No. 2-84, 3-13-84; Res. No. 29-85, 12-3-85; Res. No. 11-87, 6-30-87; Res. No. 11-03, 7-1-03.)

Section 6. Recall Elections; Recall of the Mayor or a Councilmember.

a. The Mayor or Councilmember may be removed by the qualified electors of the City. The procedure to effect the removal of such persons from office shall be as set forth hereinafter.

b. A petition signed by persons qualified to vote in City elections equal in number to at least thirty percent (30%) of the average number of ballots cast in the last three City elections, rounded up to the nearest multiple of fifty (50), shall be addressed to the Council and filed with the City Clerk. The signatures to the petition need not all be appended to one paper, but each signer shall add to his signature his place of residence, giving the street and number. The circulator of each such paper shall make affidavit before an officer competent to administer oaths, that the statements contained therein are true, and that each signature appended to the paper is the genuine signature of the person whose name it purports to be. All papers composing said petition shall be assembled and filed as one instrument, with endorsements thereon of the names and addresses of three persons designated as filing said petition.

c. Within ten days from the filing of said petition the City Clerk shall ascertain by examination thereof and of the registration books, whether the petition is signed by the required number of qualified voters, and shall attach thereto a certificate showing the result of such examination. If the certificate shows the petition to be insufficient, the Clerk shall promptly notify, in writing, one or more of the persons designated on the petition as filing the same and the petition may be amended at any time within ten days from the date of the Clerk's notification. The Clerk shall, within ten days after such amendment, make like examination of the amended petition and attach thereto a certificate of the result. If still insufficient or if no amendment is

made, the Clerk shall return the petition to one of the persons designated thereon, as filing it, without prejudice, however, to the filing of a new petition for the same purpose.

d. If the petitions or amended petitions shall be found by the City Clerk to be sufficient, the same shall be submitted with the Clerk's certificate to the Council without delay, and the Council shall, if the officer sought to be removed does not resign within five days thereafter, thereupon order an election to be held on the date fixed by them not less than thirty nor more than forty-five days from the date of the City Clerk's certificate that a sufficient petition [petition] was filed; provided, however, that if any other municipal election is to occur within sixty days from the date of the City Clerk's certificate, the Council may, at its discretion, postpone the holding of the recall election to the date of such other municipal election.

e. There shall be printed on the official ballot, as to every person whose recall is to be voted on, the words, "shall (name of person against whom the recall petition is filed) be recalled from the office of (title of office)?" Following such question shall be the words "Yes" and "No", on separate lines, with a blank space at the right of each, in which the voter shall indicate his or her vote for or against such recall.

f. Any person whose recall is sought shall continue in office until a certification of the results of a recall election by the Board of Supervisors of Elections showing that such person has been recalled is received by the City Clerk at which time such person's term in office shall thereupon terminate.

g. No recall petition shall be filed against any person until such person has actually held such office for at least two months, unless a different time is provided by ordinance; provided, that second or further recall petitions for the same person shall require signatures of qualified voters equal to at least forty-five (45) percent of the average number of ballots cast in the last three City elections, rounded up to the nearest multiple of fifty (50).

h. Any person who has been removed from office by recall, or who has resigned from such office while recall proceedings were pending against him or her, shall not be appointed to any elective office within one year after such removal by recall or resignation.

i. Any vacancy created by the recall of an elected officer shall be filled in the manner set forth in Section 5 of this Article III.

j. Except as specifically provided herein all recall elections shall be conducted in a manner conforming with other City elections to the extent practical. (Res. No. 8-85, 4-30-85; Res. No. 11-03, 7-1-03.)

Section 7. Regulation and Control.

The Council shall have the power to provide by ordinance in every respect not covered by the provisions of this Charter for the conduct of registration, nomination, and City elections and for the prevention of fraud in connection therewith, and for a recount of ballots in case of doubt or fraud. Ordinances heretofore adopted by the Council pertaining to such matters shall

remain in force and effect until repealed or amended by the Council but only as to such provisions as are not inconsistent with the provisions of this Article. (Res. No. 8-78; Res. No. 24-60 (See note (4)); Mont. Co. Code 1972, § 72-13; Res. No. 11-87, 6-30-87.)

Section 2. Initiation by the Council.

a. The Council may initiate a proposed amendment or amendments to the Charter by a resolution which, except as otherwise specified in this section, is ordained or passed as in the usual course of considering resolutions in the government of the Council by a majority of all the persons elected to the Council.

b. In conformity with a requirement imposed upon the General Assembly by Article 3, § 29 of the Constitution of Maryland, the resolution shall contain the complete and exact wording of the proposed amendment or amendments, prepared so that the section or sections are set forth as they would read when amended or enacted. This Charter or any section thereof may not be revised or amended by reference to its title or section only.

c. In conformity with a requirement imposed upon the General Assembly by Article 3, § 29 of the Constitution of Maryland, every Charter amendment adopted by the Council shall embrace but one subject, and that shall be described in its title. Prior to the passage of any resolution which proposes an amendment or amendments to the Charter, a public hearing thereon shall be held by the Council, public notice of which shall be given in a newspaper of general circulation in the City of Rockville once a week for two successive weeks, the last such notice to appear at least ten (10) days prior to the public hearing. Upon receiving the petition, the Council is directed to verify that any person who signed it is qualified to vote in municipal general elections, and shall consider the petition as of no effect if it is signed by fewer than twenty per centum of the persons who are qualified to vote in municipal general elections. If the petition complies with the requirements of this section, the Council shall by resolution, passed as in its normal legislative procedure, and not later than sixty days after the petition shall have been presented to it, specify the day and the hours for the election at which the question shall be submitted to the voters of the City of Rockville. This may be at either the next regular municipal general election or at a special election, in the discretion of the Council. ARTICLE XI

Special Assessments

Section 1. Streets, Sidewalks, etc.; Water and Sewers; Special Assessments, Borrowing Money, etc.

a. The Council is authorized and empowered whenever in its judgment, the public health, safety, welfare, comfort, or convenience requires it, to grade, construct, reconstruct, pave, provide street lighting, landscaping, or other public amenities, for or otherwise improve any street, sidewalk, alley, curb, curb and gutter, public highway, or any public right-of-way or property, or parts thereof, at such time and to such extent and of such materials and in such manner as shall be provided by ordinance and to purchase, contract to purchase, lay or contract to lay water mains and truck and lateral sewers in said City and to pay the costs of all such work and assess said cost, or any part thereof, against the abutting property and any other properties benefited thereby as hereinafter provided in this section. For the purposes of this section, the

term “water mains” shall include fire hydrants, meters, valves and connections and all other service equipment. The foregoing action may be initiated by the Council on its own motion without the filing of a petition by property owners hereinafter provided for.

b. Whenever a petition in writing, duly signed by the owners of at least twenty per cent of the front footage of all the property abutting upon or to be benefited by any such proposed public improvement, shall be filed with the Council praying for the construction of any public improvement herein mentioned, the Council shall, after having given the notice prescribed in the following subsection, hold a public hearing upon the matter of such petition, and shall, as soon thereafter as may be convenient, render its decision thereon granting or denying the said application, as in its judgment the public health, safety, welfare, comfort, or convenience may require; provided, however, that in case the Council shall grant such petition, it shall thereupon proceed in all respects in the manner and in the form hereinafter provided in this section.

c. Before entering upon the construction of any work or improvement specified herein, the Council shall by ordinance designate the location, extent and kind of work or improvement proposed to be done or made, the kind of materials to be used, the estimated cost of the improvement and the real property which will be specially benefited thereby and which it is proposed to assess to pay all or any part of the cost thereof, and shall fix a time and place when and where the owner or owners of the property to be so assessed therefor can be heard in reference thereto. Notice of such hearing, embodying the substance of said ordinance, shall be served upon the owners of said properties by mailing a copy thereof to their last known post office address of record and by publishing said notice two times in some newspaper of general circulation in said City, the last publication to be not less than three days before said hearing.

d. If after the hearing the Council shall be of the opinion that the public health, safety, welfare, comfort, or convenience requires the work or improvement proposed to be done or made, it shall provide by ordinance for the same and may charge the expense thereof or any part of such expense against the property which it shall find to be specially benefited thereby according to the front foot rule of apportionment or some other equitable basis as may be determined by it; and the Council shall include as a part of the cost of said work to be assessed against the benefited property the cost of said work embraced in street intersections and exemptions on corner lots or irregular shaped lots, the actual interest charges covering the term of indebtedness on the certificates issued for such public work and a reasonable percentage for advertising, clerical work and other miscellaneous expenses in connection with said work, and the items above stated are hereby declared to be a part of the cost of said public work. The Council shall also provide in said ordinance the time and terms upon which payment of said assessments for said work and improvements shall be made by said property owners, the rate of interest, if any, that shall be charged upon deferred payments and shall provide penalties for failure to pay any deferred payment when due. The ordinance may temporarily exempt certain properties from the assessment, in whole or in part, until a date certain and/or the occasion of a specific event or change in circumstances, provided that such exemption is made pursuant to legislation duly adopted by the Council which shall provide for, among other things, certain criteria and/or standards for properties entitled to an exemption. An assessment made pursuant to this Article shall be a lien upon the property against which it is charged superior to all other liens from the date of the approval of such assessment by the Council. Any person aggrieved by the

levy of a special assessment in accordance with the provisions of this Article may appeal the same to the Circuit Court for Montgomery County. Such appeal shall be taken according to the Maryland Rules set forth in Title 7. Appeals of the decision or judgment of the Circuit Court may be taken to the Court of [of] Special Appeals and Court of Appeals as prescribed by the Maryland Rules.

e. In the event that provision shall be made for the payment of the assessment aforesaid in installments, upon a failure to pay any one or more of said installments when the same shall become due, the whole amount thereof and of such assessment shall immediately become due and payable. All assessments levied hereunder whenever the same shall become overdue according to the terms of the ordinance providing therefor, or by reason of the nonpayment of any installment thereof, may be collected by action in equity to be brought in the county in which the land so assessed is situated or in the same manner as general taxes due said City are now or may hereafter be collected, and any sale made for the nonpayment of such assessment and any deed made pursuant to such sale shall be entitled to all the presumptions as to validity that now or may hereafter attach to sales and deeds made for default in payment of general taxes due said City; and when any real property assessed as herein provided for shall become liable to sale for any other assessment of tax whatsoever, then the assessment levied under this section shall become immediately due and payable, and the property against which they are levied may be sold therefor together with accrued interest thereon and costs to day of sale. If any sale made hereunder shall be set aside for failure to comply with the terms hereof, that fact shall not bar the right of said City to collect said assessment and enforce the lien thereof by equitable suit as aforesaid.

f. Any person or persons desiring the construction of any public work authorized under the provisions of this section may petition the Council in writing therefor; and if all the abutting property affected is represented in said petition and the petitioners agree therein to a waiver of legal requirements hereunder the Council may direct the construction of said work without compliance with said legal requirements and may assess the cost thereof in accordance herewith as though all legal requirements had been complied with; and said construction and assessments are hereby declared to be legal and valid as in this section provided.

g. To carry out the provisions of this section, the said Council may borrow such sums from time to time as may be needed to make such improvements pursuant to the authority set forth in Section 11 of Article VII of this Charter. The municipality, in order to carry out the purposes of this appendix, shall prepare or cause to be prepared an urban renewal plan for slum or blighted areas in the municipality, and shall formally approve such plan. Prior to its approval of an urban renewal project, the municipality shall submit such plan to the planning body of the municipality, for review and recommendations as to its conformity with the master plan for the development of the municipality as a whole. The planning body shall submit its written recommendation with respect to the proposed urban renewal plan to the municipality within sixty days after receipt of the plan for review; upon receipt of the recommendations of the planning body, or, if no recommendations are received within said sixty days, then without such recommendations, the municipality may proceed with a public hearing on the proposed urban renewal project and the plan therefor. The notice shall describe the time, date, place and purpose of the hearing, shall generally identify the urban renewal area covered by the plan, and shall outline the general scope of the urban renewal project under consideration. Following such hearing, the municipality may approve an urban renewal project and the plan therefor if it finds that: (1) the prospective urban renewal area, or any part thereof, is in fact a slum or blighted area; (2) a feasible method exists for the location of any families who will be displaced from the urban renewal area in decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families; (3) the urban renewal plan substantially conforms to the master plan of the municipality as a whole; and (4) the urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise.

Upon the approval by the municipality of an urban renewal plan or of any modification thereof, such plan or modification shall be deemed to be in full force and effect for the respective urban renewal area and the municipality may then cause such plan or modification to be carried out in accordance with its terms.

Section A1-106. Disposal of Property in Urban Renewal Area.

(a) The municipality may sell, lease or otherwise transfer real property or any interest therein acquired for it by an urban renewal project, for residential, recreational, commercial, industrial, educational or other uses or for public use, or may retain such property or interest for public use, in accordance with the urban renewal plan, subject to such covenants, conditions and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of future slums or blighted areas or to otherwise carry out the purposes of this appendix. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin within a reasonable time any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, the municipality shall take into account and give consideration to the uses provided in such plan; the restrictions upon, and the covenants, conditions and obligations assumed by the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of slum or blighted areas. The municipality in any instrument of conveyance to a private purchaser or lessee shall provide that such purchaser or lessee shall be without power to sell, lease or otherwise transfer the real property without the prior written consent of the municipality until he has completed the construction of any or all improvements which he has obligated himself to construct thereon. Real property acquired by the municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible in the public interest consistent with the carrying out of the provisions of the urban renewal plan. Any contract for such transfer and the urban renewal plan (or such part or parts of such contract or plan as the municipality may determine) may be recorded in the Land Records of the county in which the municipality is situated in such manner as to afford actual or constructive notice thereof.

(b) The municipality may dispose of real property in an urban renewal area, regardless of whether or not it has been developed, redeveloped, altered or improved and irrespective of the manner or means in or by which it may have been acquired, to the United States of America or the State of Maryland, or any department or agency thereof, or to any private, public or quasi-public corporation, partnership, association, person or other legal entity, for development or redevelopment, including but not limited to, the comprehensive renovation or rehabilitation thereof without public bidding but only after a public hearing, notice of which shall be given by publication for not less than once a week for two weeks in a newspaper of general circulation published in Montgomery County, Maryland, which notice shall set forth the names of the prospective transferees and the total land price. The municipality may execute and deliver

contracts, deeds, leases and other instruments and take all steps necessary to effectuate any transfer in an urban renewal area.

(c) The municipality may temporarily operate and maintain real property acquired by it in an urban renewal area for or in connection with an urban renewal project pending the disposition of the property as authorized in this appendix, without regard to the provisions of subsection (a) above, for such uses and purposes as may be deemed desirable even though not in conformity with the urban renewal plan.

(d) Any instrument executed by the municipality and purporting to convey any right, title or interest in any property under this appendix shall be conclusively presumed to have been executed in compliance with the provisions of this appendix insofar as title or other interest of any bona fide purchasers, lessees or transferees of such property is concerned. The municipality shall give consideration to this objective in exercising its powers under this appendix.

Section A1-109. General Obligation Bonds.

For the purpose of financing and carrying out of an urban renewal project and related activities, the municipality may issue and sell its general obligation bonds. For the purpose of financing the design, construction, establishment, extension, alteration, operation or acquisition of public parking facilities in connection with an urban renewal project, the municipality is authorized to create within its corporate limits special taxing districts for such purposes and to levy on all real and personal property subject to ordinary city taxes located within said special taxing districts an ad valorem tax at a rate sufficient to provide adequate annual revenues to pay the principal and interest on any bonds or other obligations of such municipality issued for such purposes as the said principal and interest may become due. All such taxes shall be levied in the same manner, upon the same assessments, for the same

period or periods and as of the same date or dates of finality as are now or may hereafter be prescribed for ordinary city taxes. (Ch. 646, 1963.)

Such bonds shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from or held in connection with its undertaking and carrying out of urban renewal projects under this appendix: Provided, however, that payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant or contribution from the Federal Government or other source, in aid of any urban renewal projects of the municipality under this appendix, and by a mortgage of any such urban renewal projects, or any part thereof, title to which is in the municipality. In addition, the municipality may enter into an Indenture of Trust with any private banking institution of this State having trust powers and may make in such indenture of trust such covenants and commitments as may be required by any purchaser for the adequate security of said bonds.

(1) Bond issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, shall not be subject to the provisions of any other law or charter relating to the authorization, issuance or sale of bonds, and are hereby specifically exempted from the restrictions contained in Sections 9, 10 and 11 of Article 31 of the Annotated Code of Maryland, 1957 Edition, as amended. Bonds issued under the provisions of this appendix are declared to be issued for an essential public and governmental purpose and, together with interest thereon and income therefrom, shall be exempted from all taxes.

(2) Bonds issued under this section shall be authorized by resolution or ordinance of the legislative body of the municipality and may be issued in one or more series and shall bear such date or dates, shall mature at such time or times, bear interest at such rate or rates, be in such denomination or denominations, be in such form either with or without coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium or payment, at such place or places, and be subject to such terms of redemption (with or without premium), be secured in such manner, and have such other characteristics, as may be provided by such resolution or trust indenture or mortgage issued pursuant thereto.

(3) Such bonds may be sold at not less than par at public sales held after notice published prior to such sale in a newspaper having a general circulation in the area in which the municipality is located and in such other medium of publication as the municipality may determine or may be exchanged for other bonds on the basis of par: provided, that such bonds may be sold to the Federal Government at private sale at not less than par, and, in the event less than all of the authorized principal amount of such bonds is sold to the Federal Government, the balance may be sold at private sale at not less than par at an interest cost to the

municipality of not to exceed the interest cost to the municipality of the portion of the bonds sold to the Federal Government.

(4) In case any of the public officials of the municipality whose signatures appear on any bonds or coupons issued under this appendix shall cease to be such officials before the delivery of such bond or, in the event any such officials shall have become such after the date of issue thereof, said bonds shall nevertheless be valid and binding obligations of said municipality in accordance with their terms. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this appendix shall be fully negotiable.

(5) In any suit, action or proceeding involving the validity or enforceability of any bond issued under this appendix or the security therefor, any such bond reciting in substance that it has been issued by the municipality in connection with an urban renewal project, as herein defined, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located and carried out in accordance with the provisions of this appendix.

(6) All banks, trust companies, bankers, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking or investment business; all insurance companies, insurance associations, and other persons carrying on an insurance business; and all executors, administrators, curators, trustees, and other fiduciaries, may legally invest any sinking funds, monies, or other funds belonging to them or within their control in any bonds or other obligations issued by the municipality pursuant to this appendix, provided that such bonds and other obligations shall be secured by an agreement between the issuer and the Federal Government in which the issuer agrees to borrow from the Federal Government and the Federal Government agrees to lend to the issuer, prior to the maturity of such bonds or other obligations, monies in an amount which (together with any other monies irrevocably committed to the payment of principal and interest on such bonds or other obligations) will suffice to pay the principal of such bonds or other obligations with interest to maturity thereon, which monies under the terms of said agreement are required to be used for the purpose of paying the principal of and the interest on such bonds or other obligations at their maturity. Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Nothing contained in this section with regard to legal investments shall be construed as relieving any person of any duty of exercising reasonable care in selecting securities. (Ch. 241, 1975.)

NOTES

(1) Prior to enactment of Res. No. 8–78, the specific boundaries of the City were set forth in the Charter. Res. No. 8–78 deleted 100 pages of boundary description and adopted in lieu thereof Art. I, Sec. 2 as set forth above.

For annexation procedures see Md. Ann. Code (1957), Art., 23A Sec. 19.

The grant to a municipal corporation of the power to annex is permissive only and not mandatory; and the municipality, as a prerequisite to granting annexation, may impose reasonable conditions for the public good and welfare. *Mayor and Council of Rockville v. Brookeville Turnpike Construction Co.*, 246 Md. 117, 228 A.2d. 263 (1967) Md. Ann. Code (1957), Art. 23A, Sec. 9(c) provides that no municipality annexing land may, for five years following annexation, rezone the land so as to permit a land use substantially different from the land use specified in the current and duly adopted master plan of the county or agency having planning and zoning jurisdiction over the land prior to annexation. See *Md. National-Capital Park and Planning Commission v. Mayor and Council of Rockville*, 272 Md. 550, 325 A.2d 748 (1974).

(2) Additional provisions relating to City elections are contained in Chapter 4 of the “Laws of Rockville.”

(3) The 1960 general revision of Rockville’s Charter (Res. No. 24–60), contained in Article III, Sec. 3 provisions relating to registration, transfer of records and appeals. These provisions were amended by Res. No. 9–69 (which dealt with removal of names from voters lists) and subsequently deleted entirely by Res. No. 16–75. Res. No. 8–78 renumbered the sections in Article III of the Charter to reflect the deletion.

(4) The 1960 general revision of Rockville’s Charter (Res. No. 24–60) contained in Article III, Sec. 6 provisions relating to the conduct of elections, special elections, vote counting and preservation of ballots. Res. No. 18–69 added to the Charter a new section relating to absentee voting, which was later amended by Res. No. 45–71. Both sections were subsequently deleted by Res. No. 16–75. Res. No. 8–78 renumbered the sections in Article III of the Charter to reflect the deletions. Comparable provisions may now be found in Chapter 4 of the “Laws of Rockville.”

(5) The Council has all those powers conferred upon it by this Charter as well as those powers conferred upon it by Md. Ann. Code (1957), Art. 23A and other public general laws adopted by the General Assembly.

Article XII of the Charter as contained in Res. No. 24–60 consisted of detailed provisions on zoning. Res. No. 8–71 deleted those detailed provisions and adopted in lieu thereof the following:

“The Mayor and Council of Rockville are hereby authorized to exercise all powers granted to it pursuant to Article 66B of the Annotated Code of Maryland.”

Res. No. 8–78 deleted entirely the foregoing zoning article of the Charter as being superfluous in light of the zoning authority granted the City under subsection b.(62) of this section.

Res. No. 58–67 added subsection b.(63).

(6) Res. No. 8–78 increased the maximum prison–term from 30 days to 90 days so as to conform this section to Article XIV, Section 4 which was similarly amended by Res. No. 11–76. Chapter 735 of the 1978 Laws of Maryland amended Md. Ann. Code (1957), Art. 23A by increasing the maximum fine allowed to be imposed for a misdemeanor from \$100.00 to \$500.00 and authorizing municipalities to declare violations of municipal ordinance to be “municipal infractions.” This additional authority is granted the City directly by amended Article 23A and no amendment to the City Charter reflecting this new authority is legally required.

(7) The bulk of this Article was adopted by Res. No. 59–67 and is substantially similar to the provisions concerning amendments to Charters of municipal corporations set forth in Md. Ann. Code (1957), Art. 23A, Sections 11–18.

(8) Res. No. 25–70 added to subsection c. the last three sentences beginning with “Prior to the passage...” Res. No. 8–78 deleted from subsection d. language referring to the provisions of Article 23B of the Annotated Code of Maryland as is presently contained in Md. Ann. Code (1957), Article 23A, Section 13(d).

(9) Res. No. 8–78 deleted references to Article 23B of the Annotated Code of Maryland as are presently contained in Md. Ann. Code (1957), Article 23A, Section 15.

(10) Res. No. 8–78 deleted from section f.(1) references to Article 23B of the Annotated Code of Maryland.

(18) Repealed by Res. No. 7–83.

(19) Additional personnel regulations are contained in Chapter 3 of the “Laws of Rockville”, and conflict of interest provisions governing City employees are contained in Chapter 15 of the “Laws of Rockville.” Police officers are governed by the “Law Enforcement Officer’s Bill of Rights” Md. Ann. Code (1957), Article 27 Sections 727 through 741.

(25) Res. No. 39–78 was adopted subsequent to the general revision of Res. No. 8–78, effective December 26, 1978, and repealed provisions concerning the special assessment of corner and irregularly shaped lots.

(26) Pursuant to Article III, Section 61 of the Maryland Constitution, the General Assembly of Maryland granted urban renewal powers for slum clearance to the City of Rockville in Chapter 826 of the Acts of the General Assembly of 1961.

Further changes to this power were made by Chapter 646 of the Acts of 1963, Chapter 700 of the Acts of 1967, and Chapter 241 of the Acts of 1975.

Starting with the 1997 Supplement to the *Public Local Laws of Maryland – Compilation of Municipal Charters*, the urban renewal powers for slum clearance for the City of Rockville appear as this appendix in accordance with 80 *Opinions of the Attorney General* _____ (1995) [Opinion No. 95–037 (September 21, 1995)] and Sections 10 and 11 of Chapter 14 of the Acts of the General Assembly of 1997.
