(c) In addition to all the powers granted to the Council by this Charter or any other provisions of law, the Council may exercise any power or perform any function which is not now or hereafter denied to it by the Constitution of Maryland, this Charter, or any applicable law passed by the General Assembly of Maryland. The enumeration of powers and functions in this Charter or elsewhere must not be deemed to limit the power and authority granted by this section.

(d) To the extent permitted by law, the Town may exempt itself from County law.

(e) The Council has the power to obtain such insurance for the Town as it deems necessary and appropriate, including insurance indemnifying the Mayor, Councilors, and other Town officials against all claims and charges, including attorneys' fees, arising out of the performance of their official duties, and to provide for the payment of the premiums. Section 23. Enforcement.

(a) To ensure the observance of the ordinances of the Town, the Council has the power to provide that a violation thereof is a misdemeanor and has the power to affix thereto a penalty of a fine not exceeding one thousand dollars (\$1000) or imprisonment not exceeding 180 days or both such fine and imprisonment, or such other penalty limits as may be authorized by State law, whichever is higher. The Council may provide that, where the violation is of a continuing nature and is persisted in, a conviction for one violation is not a bar to a conviction for a continuation of the offense subsequent to the first or any succeeding conviction.

(b) (1) The council may provide that violation of any municipal ordinance is a municipal infraction unless that violation is declared to be a felony or misdemeanor by State law or other ordinance. For purposes of this article, a municipal infraction is a civil offense.

(4) Adjudication of a municipal infraction is not a criminal conviction for any purpose, nor does it impose any of the civil disabilities ordinarily imposed by a criminal conviction.

Registration, Nomination, and Elections

Section 24. Voters.

A qualified voter entitled to vote at all Town elections and Town meetings is a Town resident who is included on a certified copy of a Montgomery County voter registration list furnished to the Town by the Montgomery County Board of Supervisors of Elections.

Section 25. Board of Supervisors of Elections.

There is a Board of Supervisors of Elections, consisting of three members who are appointed by the Mayor with the approval of the Council on or before the first Monday in March in every odd-numbered year. The terms of members of the Board of Supervisors of Elections begin on the first Monday in March in the year in which they are appointed and run for two years or until their successors are qualified. Members of the Board of Supervisors of Elections must be qualified voters of the Town and may not hold or be candidates for any elective office during their term of office. The Board must appoint one of its members as Chairperson. Vacancies on the Board must be filled by the Mayor with the approval of the Council for the remainder of the unexpired term.

Section 26. Removal.

Any member of the Board of Supervisors of Elections may be removed for good cause by the Council. Before removal, the member of the Board to be removed must be given a written copy of the charges against the member and must have a public hearing on them before the Council if the member so requests within 10 days after receiving the written copy of the charges.

Section 27. Duties.

The Board of Supervisors of Elections is in charge of nominations and all Town elections. The Board must obtain from the Montgomery County Board of Supervisors of Elections a certified list of qualified voters not more than 10 days before the Town election or Town meeting. Prior to any Town meeting or Town election, the Board may strike from the list of qualified voters persons known to have died or to have moved out of Town. The Board may appoint election clerks or other employees to assist it in any of its duties.

Section 28. Notice.

The Board of Supervisors of Elections must give at least two weeks notice of every election by giving notice thereof reasonably calculated to inform the residents of the Town.

Section 29. Appeal.

If any person feels aggrieved by the action of the Board of Supervisors of Elections in striking off the name of any person, or by any other action, such person may appeal to the Council. Any decision or action of the Council upon such appeal may be appealed to the Circuit Court for Montgomery County within the time allowed for administrative appeals.

Section 30. Nominations.

Persons may be nominated for elective office in the Town by filing a certificate of nomination with the Board of Supervisors of Elections on or before the second Monday in March next preceding the Town election. The certificate of nomination must be in writing and must be signed by at least two qualified voters of the Town. A certificate of nomination for Councilor

must indicate whether the person is being nominated for a regular three-year Council term or for the balance of the term of a vacated Council position, if any vacancies exist. No person may file for nomination to more than one elective Town public office or hold more than one elective Town public office at any one time. A person accepting nomination for the office of Mayor who is at the time a member of the Council must resign office as a member of the Council upon accepting the nomination for the office of Mayor, the resignation to be effective on the date on which the newly elected Mayor assumes office. A vacancy in the Council must be considered a separate elective office. (Res. No. 2006-05, 01-31-2007).

Section 31. Election of Town Officials.

All regular elections must be conducted on the second Saturday of May of each year. The qualified voters of the Town must elect one person as Mayor, two persons as Councilors for terms of three years, and such number of persons to fill vacancies on the Council as there are vacancies, for the number of years remaining in the respective terms. (Res. No. 2006-05, 01-31-2007).

Section 32. Conduct of Elections.

It is the duty of the Board of Supervisors of Elections to provide for each special and general election a suitable place or places for voting and suitable ballot boxes and/or voting machines. The ballots and/or voting machines must show the name of each candidate nominated to elective office in accordance with the provisions of this Charter, arranged in alphabetical order by office with no party designations of any kind. The Board must keep the polls open from 4:00 p.m. to 7:00 p.m. on election day or for longer hours if the Council requires it. The Board must supply an absentee ballot to any qualified voter of the Town requesting one who certifies in writing that he or she will not be able to be present to vote during the time designated for the polls to be open. Such absentee ballots if delivered to the Board prior to the end of the time designated for the polls to be closed, must be counted as though cast at the polls. Within two hours of the closing of the polls, the Board of Supervisors of Elections must determine the vote cast for each candidate or question and must certify the results of the election to the Clerk-Treasurer of the Town, and thereafter must announce the results at the Town Meeting. The Clerk-Treasurer must record the results in the minutes of the Town Meeting. The candidate for Mayor with the highest number of votes must be declared elected as Mayor. The candidates for Councilor with the highest number of votes for each Council position must be declared elected as Councilors.

Section 33. Special Elections.

All special Town elections must be conducted by the Board of Supervisors of Elections in the same manner with the same personnel, as far as practicable, as regular Town elections.

Section 34. Preservation of Ballots.

All ballots used in any Town election must be preserved for at least 6 months from the date of the election.

Section 35. Vacancies.

In case of a vacancy on the Council for any reason, the Council may select a qualified person to fill such vacancy until the next regular Town election. At such election, a qualified person must be chosen for each vacant unexpired term. In case of a vacancy in the office of Mayor for any reason, the Council may elect a qualified person to fill the vacancy for the remainder of the unexpired term. Any vacancies on the Council or in the office of Mayor may be filled by the favorable votes of a majority of the remaining members of the Council. The results of any such vote must be recorded in the minutes of the Council. However, the Council may order a special election to fill any such vacancy.

Section 36. Other Provisions.

The Council has the power to provide by ordinance in every respect not covered by the provisions of this Charter for the conduct of nominations and Town elections, for the prevention of fraud in connection therewith, for a recount of ballots in case of doubt or fraud, for special elections in case a regular or special election is not held as announced, and for resolving tie votes.

Section 37. Penalties.

Any person who (a) willfully and corruptly fails to perform any duty required of said person under any provisions of Sections 24 through 36 of this Charter or any ordinance passed thereunder, (b) in any manner willfully and corruptly violates any of the provisions of Sections 24 through 36 of this Charter or any ordinances passed thereunder, or (c) willfully and corruptly does anything which will or will tend to affect fraudulently any registration, nomination, or Town election, is guilty of a misdemeanor. Any officer or employee of the Town government who is convicted of a misdemeanor under the provisions of this section must immediately upon conviction thereof cease to hold such office or employment.

Clerk–Treasurer

Section 38. Clerk–Treasurer.

A Clerk–Treasurer must be appointed by the Mayor with the approval of the Council. However, the Mayor may, with the approval of the Council, assign all or part of the duties of the Clerk–Treasurer to one or more employees of the Town. The Clerk–Treasurer serves at the pleasure of the Mayor and receives such compensation as determined by the Council. The Clerk–Treasurer is the chief financial officer of the Town. The financial powers of the Town, except as otherwise provided by this Charter, are exercised by the Clerk–Treasurer under the direct supervision of the Mayor. (Res. No. 2006-06, 01-31-2007).

Section 39. Powers and Duties of the Clerk–Treasurer.

Under the supervision of the Mayor, the Clerk–Treasurer has authority and is required to:

- (a) Prepare at the request of the Mayor an annual budget to be submitted by the Mayor to the Council.
- (b) Supervise and be responsible for the disbursement of all monies and have control over all expenditures to assure that budget appropriations are not exceeded.
- (c) Maintain a general accounting system for the Town in such form as the Council may require, not contrary to State law.
- (d) Submit at the end of each fiscal year, and at such other times as the Council may require, a complete financial report to the Council through the Mayor.
- (e) Ascertain that all taxable property within the Town is assessed for taxation.
- (f) Collect all taxes, special assessments, license fees, liens, and all other revenues, including utility revenues of the Town, and all other revenues for whose collection the Town is responsible, and receive any funds receivable by the Town.
- (g) Have custody of all public monies belonging to or under the control of the Town, except as to funds in the control of any set of trustees, and have custody of all bonds and notes of the Town.
- (h) Do such other things in relation to the affairs of the Town as the Mayor or the Council may require or as may be required elsewhere in the Charter.

Section 40. Bond of Clerk–Treasurer.

The Clerk–Treasurer, or the employee assigned to exercise the financial powers of the Town, must provide a bond with corporate surety and in such amount as the Council by ordinance may require. (Res. No. 2006-06, 01-31-2007).

Budget, Taxation, and Indebtedness

Section 41. Fiscal Year.

The Town operates on an annual budget. The fiscal year of the Town begins on the first day of July in any year and ends on the last day of June the following year. The fiscal year constitutes the tax year, the budget year, and the accounting year.

Section 42. Budget.

The Mayor, on such date as the Council may determine, but at least 32 days before the beginning of any fiscal year, must submit a budget to the Council. The budget must provide a complete financial plan for the budget year and must contain estimates of anticipated revenues and proposed expenditures for the coming year. The total of the anticipated revenues must equal or exceed the total of the proposed expenditures. The Council may insert new items or increase or decrease the items in the budget. Where the Council or the Town Meeting increases the total proposed expenditures it must also increase the total anticipated revenues in an amount at least equal to such total proposed expenditures. The budget is a public record, open to reasonable public inspection. A summary of the proposed budget must be circulated to all residences of the Town at least two weeks prior to the regular Town Meeting to be held in May. The Mayor must then present to the Town Meeting for adoption the budget as recommended by the Council. The budget as finally approved by a majority vote of the qualified voters present and voting becomes the limitation of the total expenditures for the ensuing fiscal year, subject to modification by a Special Town Meeting. The Council may, however, increase or decrease items in the budget subject to the aforesaid limitation on total expenditures. (Res. No. 2006-05, 01-31-2007).

Section 43. Appropriations.

No public money may be expended without having been appropriated by the Council. From the effective date of the budget, the several amounts stated therein as proposed expenditure become thereby appropriated to the several objects and purposes named therein, subject to the provisions of Section 42.

Section 44. Over-Expenditures Forbidden.

No officer or employee may, during any budget year, expend or contract to expend any money or incur any liability or enter into any contract which by its terms involves the expenditure of money for any purpose in excess of the amounts appropriated for or transferred to that general classification of expenditure by subsequent action pursuant to this Charter. Any contract, verbal or written, made in violation of this Charter is null and void. Nothing in this section, however, prevents the making of contracts or the spending of money for bonds, nor the making of contracts or the spending of money for capital improvements to be financed in whole or in part by issuance of bonds. A contract for a period exceeding the budget year in which such contract is made is permitted if the contract is subject to termination by the Town because sufficient funds are not appropriated for a subsequent budget year.

Section 45. Appropriations Lapse After One Year.

All appropriations lapse at the end of the budget year to the extent that they have not been expended or lawfully encumbered. Any unexpended and unencumbered funds must be considered a surplus at the end of the budget year and must be reflected in the budget for the next succeeding year.

Section 46. Checks.

All checks issued in payment of municipal obligations must be issued and signed by the Clerk–Treasurer or the Mayor or the Mayor Pro Tempore.

Section 47. Taxable Property.

(a) All real property, and all tangible personal property of any commercial enterprise taxable under State law within the corporate limits of the Town is subject to taxation for municipal purposes, and the assessment used is the same as that for State and County taxes. No authority is given by this section to impose taxes on any property which is exempt from taxation by State law.

(b) The Mayor and Town Council must annually prepare an estimate as to the amount of money required, over and above the tax authorized in paragraph (a), to provide for the cost of the public service, such as the collecting of trash and garbage, the clearing, cleaning and lighting of streets, and such other public service, insurance, repair and upkeep of the public buildings and parks and maintenance of the same, and other charges which may be necessary for the conduct of affairs of the Town and for the well–being and the health of the entire community. The Mayor and Council must present such estimate for the approval of the qualified voters in [the] annual Town Meeting. Upon the approval of a majority of such qualified voters in meeting assembled, the Town Council may annually impose a uniform running front foot charge in the nature of an assessment against all improved and unimproved lots within the corporate limits of said Town, and/or a flat uniform and equal assessment against each dwelling upon lots within said Town, to provide the additional funds necessary over and above the tax provided in paragraph (a) as called for in the approved budget.

Section 48. Budget Authorizes Property Taxes.

From the effective date of the budget, the amount stated therein as the amount to be raised by the property taxes authorized in Section 47 constitutes a determination of the amount of the tax to be imposed in the corresponding tax year.

Section 49. Notice of Property Taxes.

Promptly after the property taxes are imposed by the Town, the Clerk–Treasurer, or a designated agent, must make out and mail to each taxpayer or designated agent at the last known address a bill or account of the taxes due. This bill or account must contain a statement of the amount of real and personal property with which the taxpayer is assessed, the rate of taxation, the amount of taxes due, and the date on which the taxes will begin bearing interest and penalty. Failure to give or receive any bill required by this section does not relieve any taxpayer of the responsibility to pay on the dates established by this Charter all taxes imposed on the property.

Section 50. When Taxes are Overdue; Liens.

The taxes provided for in Sections 47 and 48 of this Charter are due and payable on the first day of July in the year for which they are imposed and are overdue and in arrears on the first day of the following October. They bear a penalty while in arrears at the rate fixed by resolution of the Council prior to the first day of the tax year for which the tax is imposed. All taxes not paid and in arrears after the first day of the following March may be collected as provided in Section 51. All taxes imposed on property are a lien on the property to the same extent as State and County property taxes.

Section 51. Sale of Tax Delinquent Property.

A list of all property on which Town taxes have not been paid and which are in arrears as provided in Section 50 above may be turned over by the Clerk–Treasurer to the official of Montgomery County responsible for the sale of tax delinquent property, as provided in State law. All property listed thereon may, if necessary, be sold for taxes by this Montgomery County official or the Town, in the manner prescribed by State law.

Section 52. Fees.

All Town fees received by an officer or employee of the Town belong to the Town and must be accounted for to the Town.

Section 53. Audit.

The financial books and accounts of the Town must be audited annually as required by State law.

Section 54. Creation of Municipal Debt.

(a) During the first 6 months of any fiscal year, the Town has the power to borrow in anticipation of the collection of the property tax imposed for that fiscal year, and to issue tax anticipation notes or other evidences of indebtedness as evidence of such borrowing in conformance with State law. Such tax anticipation notes or other evidences of indebtedness are a first lien upon the proceeds of such tax and must mature and be paid not later than 6 months after the beginning of the fiscal year in which they are issued. No tax anticipation notes or other evidences of indebtedness may be issued which cause the total tax anticipation indebtedness of the Town to exceed 50 percent of the property tax imposed for the fiscal year in which such notes or other evidences of indebtedness are issued. All tax anticipation notes or other evidences of indebtedness must be authorized by ordinance before being issued. The Council has the power to regulate all matters concerning the issuance and sale of tax anticipation notes.

(b) The Town has the authority to incur bonded indebtedness, subject to the provisions of State law; however, such bonded indebtedness must at no time exceed 10 percent of the total assessed value of real property subject to tax, as provided in Section 47 of this Charter, within the corporate limits of the Town.

Section 55. Payment of Indebtedness.

The power and obligation of the Town to pay any and all bonds, notes or other evidences of indebtedness issued by it under the authority of this Charter are unlimited and the Town may impose ad valorem taxes upon all the taxable property of the Town for the payment of such bonds, notes, or other evidences of indebtedness and interest thereon, without limitations of amount. The full faith and credit of the Town is hereby pledged for the payment of the principal and the interest on all bonds, notes, or other evidences of indebtedness, hereafter issued under the authority of this Charter, whether or not such pledge be stated in the bonds, notes, or other evidences of indebtedness, or in the ordinance authorizing their issuance.

Section 56. Previous Issues.

All bonds, notes, or other evidences of indebtedness validly issued by the Town previous to the effective date of this Charter and all ordinances passed concerning them are hereby declared to be valid, legal, and binding and of full force and effect as if herein fully set forth.

Section 57. Purchasing and Contracts.

The Council may provide by ordinance for rules and regulations regarding the use of competitive bidding and contracts for all or part of the Town's purchases and contracts. All expenditures for supplies, materials, equipment, construction of public improvements, or contractual services involving more than five thousand dollars (\$5,000.00) must be made on written contract. The Clerk-Treasurer is required to ask for sealed bids, in such manner as may be prescribed by ordinance, for all such written contracts. Such written contracts must be awarded to the bidder who offers the lowest or best bid, quality of goods and work, time of delivery or completion, and responsibility of bidders being considered. All such written contracts must be approved by the Council before becoming effective. The Clerk-Treasurer, with the approval of the Mayor and Council, has the right to reject all bids and re-advertise. The Town at any time in its discretion may employ its own forces for the construction and reconstruction of public improvements without advertising for (or re-advertising for) or receiving bids. All written contracts may be protected by such bonds, penalties, and conditions as the Town may require.

Personnel

Section 58. Town Attorney.

The Mayor, with the approval of the Council, may appoint a Town Attorney. The Town Attorney must be a member of the bar of the Maryland Court of Appeals. The Town Attorney is the legal advisor of the Town and performs such duties in this connection as may be required by the Council or by the Mayor. The Town has the power to employ such legal consultants as it deems necessary from time to time and to provide such compensation as the Council determines.

Section 59. Authority to Employ Personnel.

The Town has the power to employ such officers and employees as it deems necessary to execute the powers and duties provided by this Charter or other State law and to operate the Town government.

Section 60. Merit System Authorized.

The Town may provide by ordinance for appointments and promotions in the administrative service on the basis of merit and fitness. To carry out this purpose the Council may adopt such rules and regulations governing the operation of a merit system as it deems desirable or necessary. Among other things these rules and regulations may provide for competitive examinations, the use of eligibility lists, a classification plan, a compensation plan, a probation period, appeals by employees included within the classified service from dismissal or other disciplinary action, and vacation and sick leave regulations. The Town may request and avail itself of the facilities of the Commissioner of State Personnel for the administration of its merit system as provided in State law.

Section 61. Retirement System.

The Town has the power to include its officers and employees, or any of them, within any retirement or pension system under the terms of which they are admissible, and to pay the employer's share of the cost of any such retirement or pension system out of the general funds of the Town.

Section 62. Compensation of Employees.

NOTES

(1) Annexation Resolution number 2002-6, effective April 24, 2003, provided for the annexation of 2,295 square feet of land, more or less. This resolution, however, did not provide for a change in the boundary description found in this Charter. Thus, this annexation resolution is simply noted as pursuant to the municipal general powers.
