In cases of emergency the above requirements may be suspended by the affirmative votes of five members of the council. Every ordinance, unless it be passed as an emergency ordinance, shall become effective at the expiration of twenty calendar days following approval by the mayor or passage by the council over his veto, provided that no such ordinance shall become effective until seven days after the last required publication. A fair summary of each ordinance shall be published at least twice at not less than seven days interval in a newspaper or newspapers having general circulation in the municipality, and the entire ordinance shall also be posted in the Town Hall. No ordinance, or the part thereof requested for referendum, shall become effective following the receipt of such petition until and unless approved at the election by a majority of the qualified voters voting on the question. An emergency ordinance, or the part thereof requested for referendum, shall continue in effect for sixty days following receipt of such petition. If the question of approval or disapproval of any emergency ordinance, or any part thereof, has not been submitted to the qualified voters within sixty days following receipt of the petition, then the operation of the ordinance, or the part thereof requested for referendum, shall be suspended until approved by a majority of the qualified voters voting on the question at any election. Any ordinance, or part thereof, disapproved by the voters, shall stand repealed. The provisions of this section shall not apply to any ordinance, or part thereof, passed under the authority of Section 64 (C–721), levying property taxes for the payment of indebtedness, but the provisions of this section shall apply to any ordinance, or any part thereof, levying special assessment charges under the provisions of Sections 94 and 95 (C–1101 and C–1102). Any contract, verbal or written, made in violation of this charter shall be null and void. Nothing in this section contained, however, shall prevent the making of contracts or the spending of money for capital improvements to be financed in whole or in part by the issuance of bonds, nor the making of contracts of lease or for services for a period exceeding the budget year in which such contract is made, when such contract is permitted by law. Section C-715. Notice of tax levy.

Immediately after the levy is made by the council in each year, the clerk-treasurer shall give notice of the making of the levy by posting a notice thereof in some public place or places in the town. He shall make out and mail or deliver in person to each taxpayer or his agent at his last known address a bill or account of the taxes due from him. This bill or account shall contain a statement of the amount of real and personal property with which the taxpayer is assessed, the rate of taxation, the amount of taxes due, and the date on which the taxes will bear interest. Failure to give or receive any notice required by this section shall not relieve any taxpayer of the responsibility to pay on the dates established by this charter all taxes levied on his property. (Res., March, 1963, sec. 53; P.L.L. 1963, sec. 58.)

Section C-716. When taxes are overdue.

(2) *Service charge.* A property owner electing to pay real property taxes under a semiannual payment schedule authorized by this subsection (b) shall pay a service charge with the second installment. The service charge shall be adopted by the Town as part of the adoption of the property tax rate under Section C-714 of this charter, and shall be expressed as a percentage of the amount of tax due at the second installment. The service charge shall be shown on the tax bill as a percent and actual dollar amount charged. The service charge shall be calculated in an amount reasonably equivalent to the anticipated lost interest income associated with the delay in

payment of the second installment and the addition of administrative expenses associated with the semiannual payment, not exceeding twenty-five percent 25% of the charge for lost interest. The service charge shall not be considered to be a property tax for the purposes of any provisions of any public local law or this charter that limits the property tax rate or property tax revenues.

(3) *Contents of a semiannual property tax bill.* The property tax bill under a semiannual schedule shall include two semiannual payment coupons that may be submitted either separately with the appropriate payment as semiannual payments or at the same time with a single annual payment, and shall state:

(i) The amount of the tax due if paid in full, including any applicable discounts for early payment;

(ii) The amount of the tax due if paid in semiannual installments, including any applicable discounts for early payment of the first installment;

(iii) The amount of the service charge to be paid with the second installment;

(iv) The date the tax payment is due.

(4) *Payment due date.* The first installment under a semiannual schedule is due on July 1st of the tax year and may be paid without interest on or before September 30th of the tax year. The second installment under a semiannual schedule is due on January 1st of the tax year and except for the service charge, may be paid without interest on or before January 31st of the tax year.

(5) *Payment from escrow account.* If an escrow account is established for the payment of the property tax, the tax shall be paid in annual or semiannual installments as directed by the owner or borrower. Nothing in this subsection (5) relieves the owner or borrower from making the election required by subsection (b)(1). (Res., March, 1963, sec. 54; res. January 26, 1968; res. January 28, 1972; Res. No. R-45-87, 5-9-87; Res. No. R-96-1, 4-18-96; P.L.L. 1963, sec. 59.)

Section C-717. Sale of tax delinquent property.

A list of all property on which the town taxes have not been paid and which are in arrears as provided by Section 59 (C-716) of this charter shall be turned over by the clerk-treasurer to the official of the county responsible for the sale of tax delinquent property as provided in state law. All property listed thereon shall if necessary be sold for taxes by this county official, in the manner prescribed by state law. (Res., March, 1963, sec. 55; P.L.L. 1963, sec. 60.)

Section C-720. Tax anticipation borrowing.

During the first six months of any fiscal year, the town shall have the power to borrow in anticipation of the collection of the property tax levied for that fiscal year, and to issue tax anticipation notes or other evidences of indebtedness as evidence of such borrowing. Such tax anticipation notes or other evidences of indebtedness shall be a first lien upon the proceeds of such tax and shall mature and be paid not later than six months after the beginning of the fiscal year in which they are issued. No tax anticipation notes or other evidences of indebtedness shall be issued which will cause the total tax anticipation indebtedness of the town to exceed fifty per centum (50%) of the property tax levy for the fiscal year in which such notes or other evidences of indebtedness are issued. All tax anticipation notes or other evidences of indebtedness shall be authorized by ordinance before being issued. The council shall have the power to regulate all matters concerning the issuance and sale of tax anticipation notes. (Res., March, 1963, sec. 58; P.L.L. 1963, sec. 63.)

Section C-721. Authority for borrowing; payment of indebtedness.

(a) The town shall have the power to borrow money for any proper public purpose and to evidence such borrowing by the issuance and sale of its general obligation bonds, notes or other evidences of indebtedness in the manner prescribed in this section.

(b) As determined by and provided in the authorizing ordinance of the council, the bonds, notes or other evidences of indebtedness of the town may be issued and sold:

(1) By private (negotiated) sale without advertisement or solicitation of competitive bids or by the solicitation of competitive bids at public sale after publication of the notice of sale in the manner prescribed by public general law;

(2) For a price or prices which may be at, above or below the par value of the bonds, notes, or other evidences of indebtedness;

(3) At a rate of interest or rates of interest that may be fixed or variable or may be determined by a method approved by the council; and

(4) For either cash or other valuable consideration;

(c) The town may enter into agreements with agents, banks, fiduciaries, insurers or others for the purpose of enhancing the marketability of or as security for the bonds, notes or other evidences of indebtedness and for securing any tender option granted to holders thereof.

(d) The power and obligation of the town to pay any and all bonds, notes or other evidences of indebtedness issued by it under the authority of this section shall be unlimited and the town shall levy ad valorem taxes upon all the taxable property of the town for the payment of such bonds, notes or other evidences of indebtedness and interest thereon, without limitation as to rate or amount. The full faith and credit of the town is hereby pledged for the payment of the principal of and the interest on all bonds, notes or other evidences of indebtedness, hereafter issued under the authority of this section, whether or not such pledge be stated in the bonds, notes or other evidences of indebtedness, or in the ordinance authorizing their issuance. (Res. No. 1988-01, April 8, 1988.)

Section C-722. Previous issues.

All bonds, notes, or other evidences of indebtedness validly issued by the town previous to the effective date of this charter and all ordinances passed concerning them are hereby declared to be valid, legal, and binding and of full force and effect as if herein fully set forth. (Res., March, 1963, sec. 60; P.L.L. 1963, sec. 65.)

Section C-723. Purchasing and contract.

Expenditures for supplies, materials, equipment, contractual services and other ordinary and necessary expenditures involving less than Five Thousand Dollars (\$5,000.00) may be made on the sole authority of the Treasurer.

All expenditures of more than Five Thousand Dollars (\$5,000.00) shall be made on written contract and shall be made upon Council approval. For all expenditures under Sixty Thousand Dollars (\$60,000), the Treasurer, in consultation with the appropriate professionals, shall solicit bids or proposals for the cost thereof, by giving notice by mail, telephone, or other appropriate means, to such businesses/persons as the Treasurer may select in order to discourage uniform bidding and to obtain as full and open a competition as possible. At least three such bids or proposals shall be secured whenever possible.

On all written contracts involving an expenditure of more than Sixty Thousand Dollars (\$60,000.00), the Treasurer, in consultation with appropriate professionals, shall be required to utilize the formal procedure of competitive bidding and shall publish an advertisement in a newspaper of general circulation in the Town/County for sealed bids based on Town specifications for the work/services. Insofar as it is possible, the written quotations or offers of at least three businesses/persons shall be obtained. Bids shall be submitted sealed to the Treasurer and identified as bids on the envelope. When deemed necessary by the Town, deposits shall be prescribed in the public notices inviting bids. Unsuccessful bidders shall be entitled to a return of their bid deposits where the Town has required such. In any case, where a successful bidder fails to execute a contract

within twenty (20) days after the award, his bid deposit shall be taken and considered as liquidated damages, and not as a penalty, for failure of such bidder to execute said contract. Upon the proper execution of such contract by a successful bidder, his bid deposit shall be returned to him. The advertisement required to be published by this section shall be published not less than two times, at weekly intervals; and the award of such contracts shall be made to the lowest responsible bidder following the public opening of bids.

All purchases/contracts for which bids are solicited pursuant to this section shall be awarded, with Council approval, to the “lowest responsible bidder.” In awarding any such contract, the Council may, in addition to price, consider:

- (1) the ability, capacity and skill of the bidder to perform the contract or provide the service required;
- (2) whether the bidder can perform the contract or provide the service promptly or within the time specified, without delay or interference;
- (3) the character, integrity, reputation, judgment, experience and efficiency of the bidder;
- (4) the quality of performance of previous contracts or services;
- (5) the previous and existing compliance by the bidder with laws and ordinances relating to the contract/service;
- (6) the sufficiency of the financial resources and ability of the bidder to perform the contract or provide the services;
- (7) the ability of the bidder to provide future maintenance and service for the use of the subject of the contract;
- (8) such other information as may be secured by the Treasurer/Council having a bearing on the decision to award the contract.

If two or more bidders shall be tied for the lowest bid, quality and service being equal, the contract shall be awarded to a local bidder. If there be no local bidder, or more than one local bidder, the Treasurer shall award the contract to one of the tied bidders by drawing lots in public.

The Council shall have the right to reject all bids and re-advertise. The Council also reserves the right to waive any informalities in the formal bidding procedure for good cause. The Town at any time in its discretion may employ its own forces for the construction or reconstruction of public improvements without advertising for (or re-advertising for) or receiving bids. All written contracts shall be protected by such bonds, penalties and conditions as the Council may require.

In order to achieve price discounts and utilize economically beneficial procurement systems as an alternative to competitive bidding, the Town, subject to the Council's approval, shall have the authority to replace the competitive bidding required by this Section with the following procurement systems for the procurement of specific goods and services or an identifiable class of goods and services:

- (1) Join or participate in intergovernmental purchasing cooperatives.
- (2) Utilize the prices and terms obtained by competitive bidding conducted by other public agencies, counties or municipalities within the United States of America.

In cases of emergency, purchases may be made and contracts entered into without resort to the provisions of this section. An "emergency," for purposes of this section, shall be deemed to exist when a breakdown in machinery and/or a threatened or actual termination of essential services or a dangerous condition affecting life or property develops. Under such emergency circumstances, the Treasurer shall, however, whenever practical, secure competitive telephone bids and order delivery to be made by the lowest responsible bidder. The Treasurer shall also, not later than the next regular business day thereafter, submit to the Council a tabulation of bids received, if any, and a written explanation of the circumstances of the emergency.

The provisions of this section shall not apply to services furnished by Town employees, to professional services, or to such services which are in their nature unusual and not subject to competition. (Res. No. R-39-86, 12-6-86; Res. 5-90, 10-5-90; Res. No. R-02-3, 9-6-02; Res. No. R-03-4, 10-10-03; Res., March, 1963, sec. 61; P.L.L. 1963, sec. 66; Res. 10-28-83-2, 12-17-83; Res. R-07-19; 11-9-07.)

Section C-724. Borrowing Between Funds.

Notwithstanding the provisions of Sections C-708, C-709, C-710 and C-711 of the Charter, upon the passage of an ordinance by the affirmative vote of a majority of the Town Council, the Town shall be authorized to borrow money from one fund of the Town and to deliver the money so borrowed to another fund of the Town, so long as the ordinance identifies the terms and conditions of repayment, including any interest to be charged to the borrowing fund. The borrowing between funds authorized by this Section shall be permitted even if the terms and conditions of repayment provide that repayment shall occur in different budget years. Nothing in this Section shall authorize the Town to borrow money from a fund that has been lawfully encumbered. (Res. No. 03-05, 12-5-03.)
