The proceedings in reference thereto at such hearing shall be informal and, if, after such hearing, the court shall pass an order authorizing the borrowing of such sum or sums of money as the court may deem adequate and proper to meet the emergency, thereupon the said mayor and city council shall be authorized to borrow the same and to pledge the credit of the city to the amount specified by the court in its order. (iii) A statement of the taxes or other revenues from which the principal of and interest on the bonds will be paid; and

(iv) a requirement that, prior to issuance of any of the bonds authorized, the Mayor and City Council shall adopt a resolution in accordance with subsection (d) of this section.

(2) A complete copy of an ordinance authorizing general obligation bonds of the City shall be posted in a public place or places within the City for the 30 days following its passage, and the text of the ordinance, or a fair summary thereof, shall be published at least once within 10 days of its passage in a newspaper of general circulation in the City.

(3) An ordinance authorizing general obligation bonds of the City shall become effective 30 days after its passage, unless a later date is specified in the ordinance.

(c) (1) Except as provided in subsection (c)(2) of this section, an ordinance authorizing general obligation bonds of the City may be petitioned to a referendum of the voters of the City. The petition must be submitted to the City Clerk within 30 days after the passage of the ordinance, must be signed by at least 20 of the registered voters of the City, and must request that the ordinance be submitted on referendum to the voters of the City. Each person signing the referendum petition must indicate both his or her name and his or her residence address. Upon receiving the petition, the City Clerk shall verify that each person who signed it is a registered voter of the City. If the petition complies with the foregoing requirements, the Mayor and City Council shall by resolution specify the date for the election at which the question will be submitted to the voters, which may be at either the next regular State primary or general election or municipal election or, in the discretion of the Mayor and City Council, at a special election to be held on such date as they may specify. The election shall be held in accordance with such requirements as to notice and conduct as may be specified from time to time by the provisions of public general law governing referendums on proposed charter amendments of municipal corporations, such provisions being now codified as Sections 15 and 16A [§ 4–305 of the Local Government Article] of the Maryland Code. If a majority of those who vote on the question cast their votes in favor of the ordinance, the Mayor shall so proclaim within 10 days after receiving a certification of the vote from the Board of Elections, and the ordinance shall thereupon become effective; if less than a majority of those who vote on the question shall cast their votes in favor of the ordinance, the Mayor shall likewise so proclaim, and the ordinance shall be null and void.

(2) An ordinance authorizing the sale of general obligation bonds of the City may not be petitioned to referendum, even though the full faith and credit and taxing power of the City are pledged to payment of the principal of and interest on the bonds, if the Mayor and City Council in the ordinance finds and declares that half or more of the funds required to pay such principal and interest are expected to be realized from the levying of special assessments, or from the levying of a tax upon property lying within a special taxing district, or from the revenues of a revenue-producing project or projects of the City.

(d) (1) Prior to issuing any general obligation bonds of the City, the Mayor and City Council shall adopt a resolution containing:

(i) The designation, date of issue, denomination or denominations, form or forms and tenor of the bonds;

(ii) the rate or rates of interest payable on the bonds, or the method of determining the same;

(iii) The date or dates and amount or amounts of maturity, which need not be in equal par amounts or in consecutive annual installments, provided only that no bond of any issue shall mature later than [than] 40 years from the date of its issue;

(iv) The manner of selling the bonds, which may be either at public or private sale, for such price or prices as may be determined to be for the best interests of the City;

(v) If the Mayor and City Council determines that the bonds are to be offered by solicitation of competitive bids at public sale, the terms and conditions of the public sale, including a form of notice of sale;

(vi) The manner of executing and sealing the bonds, which may be by facsimile;

(viii) The place or places of payment of the principal of and interest on the bonds, which may be at any bank or trust company within or without the State of Maryland;

(ix) Provisions specifying the source or sources of funds for payment of the principal of and interest on the bonds, which provisions shall constitute a covenant binding the City to provide the funds from such source or sources as and when needed to pay the principal of and interest on the bonds; and

(x) Such other provisions regarding the terms, conditions, issuance, sale, and delivery of the bonds as the Council may include.

(2) A resolution adopted pursuant to this subsection (d) of this section may not be petitioned to referendum and shall become effective immediately upon its adoption.

(3) The Mayor and City Council may, at its option, delegate to one or more officials the authority to make any of the determinations contemplated in this subsection (d). Notwithstanding the provisions of subsection (b)(1)(iv) of this section, the Mayor and City Council may, at its option, determine or provide for the determination of any of the matters referenced in this subsection (d) by the ordinance contemplated by subsection (b) of this section instead of by resolution.

(4) In connection with any sale of general obligation bonds by the solicitation of competitive bids at public sale, any such competitive bids may be delivered by electronic and/or facsimile means and/or by any other then—commercially reasonable manner for the public sale of municipal obligations by competitive bid; and any notice of sale may be published solely in

summary form in a newspaper of general circulation in the City and/or in a generally recognized financial journal such as *The Bond Buyer*, or any notice of sale, rather than being published in full or summary form, may be made available solely via the internet or by other electronic means and/or by any other then—commercially reasonable manner for the sale of municipal obligations, all as determined by the Mayor and City Council by resolution or ordinance in accordance with the provisions of this subsection (d). To the extent the Mayor and City Council determine to publish the notice of sale in full or summary form, any such publication need only be made once at least seven (7) days before the initial date fixed for sale.

(e) References in this section to general obligation bonds shall be construed to refer to general obligation bonds, general obligation notes or other general obligation evidences of indebtedness of the City.

(f) The power conferred on the City under this section shall be deemed to be additional and supplemental to any other general obligation borrowing authority granted to the City by Maryland, City or federal law, and the City may authorize, issue and secure any such general obligation debt in conformity with this section and/or any other applicable law. (Char. Amend. Res. No. 95, 9–7–88; Char. Amend. Res. No. 141, 4–3–13.)

Section 82B. Acquisition of real, personal or mixed property; capital leases.

(a) The Mayor and City Council of Cumberland (the “City”) may acquire fee simple title to or any other interest in real, personal or mixed property for any public purpose by purchase, gift, bequest, devise, lease, lease–purchase, installment purchase or otherwise.

(b) The City, in the exercise of its borrowing powers, may finance or refinance the acquisition of any real, personal or mixed property for any public purpose by entering into capital leases. For purposes of this Section 82B, “capital lease” means any multi–year lease, conditional sale, conditional purchase, installment sale, installment purchase, lease–purchase, or similar agreement (by whatever name known), defined as a capital lease in accordance with generally accepted accounting principles; provided that, the City’s obligation to make periodic payments denominated into principal and interest components under a capital lease shall be contingent on the availability of appropriated or other legally available funds for such purpose during each year or fiscal year that such capital lease is outstanding.

(c) In connection with entering into any capital lease, the City may pledge and assign the real, personal or mixed property to be acquired in whole or in part pursuant to the capital lease to secure its obligation to make payments under the capital lease.

(d) In connection with entering into any capital lease, the City may enter into escrow agreements, trust agreements, financing agreements, investment agreements or similar agreements and any other agreements, documents, certificates or instruments deemed necessary or desirable to consummate the transactions contemplated by the capital lease.

(e) The City may approve, authorize or provide for the acquisition of any real, personal or mixed property or any capital lease for any public purpose pursuant to this Section 82B by

ordinance and/or resolution; any such ordinance or resolution may delegate to an appropriate official or officials the authority to negotiate, approve, execute and deliver of behalf of the City any necessary or desirable documentation; and any such ordinance or resolution may be introduced and enacted or adopted, as applicable, in a single session of the Mayor and City Council and shall not be subject to petition to referendum.

(f) Notwithstanding anything to the contrary contained in the City Code, the City may select the counterparty or counterparties to any capital lease or related document without complying with any public bidding procedures.

(g) No capital lease shall be construed to be a debt of the City or constitute a pledge of the full faith and credit and taxing power of the City.

(h) The City and its appropriate officials are authorized to take any and all action deemed necessary or appropriate to maintain the exclusion from gross income for federal income tax purposes of the interest payable on any capital lease, including (without limitation) filing any forms or reports required under the Internal Revenue Code of 1986, as amended, and the regulations and rulings issued thereunder, restricting the investment yields of proceeds of a capital lease, and making any required rebate payments.

(i) Nothing in this Section 82B shall prevent the City from entering into a capital lease the interest on which is not excludable from gross income for federal income tax purposes.

(j) The provisions of this Section 82B shall be liberally construed to effectuate the acquisition of real, personal or mixed property by the City through capital leases.

(k) Notwithstanding any other provision of law, any capital leases and related documents entered into by or on behalf of the City prior to the date this Section 82B is added to the Charter, and all ordinances and resolutions passed concerning them are declared to be valid, legal and binding and of full force and effect as if fully set forth in this Charter. (Res. No. 134, 12-6-06.)

The temporary borrowing of unexpected proceeds of any Obligations shall be permitted even if the terms and conditions of repayment provide that repayment shall occur in a different fiscal year. Any ordinance passed in accordance with this Section 82C may delegate to the appropriate City official or officials the authority to determine details of any such temporary borrowing. Any temporary borrowing of unexpended proceeds of Obligations in accordance with

this Section 82C shall be made in accordance with any applicable limitations of Maryland or federal law, including (without limitation) any applicable provisions of the Internal Revenue Code of 1986, as amended, and the income tax regulations promulgated thereunder (collectively, the "Tax Code"). In connection with any such temporary borrowing of unexpended proceeds of Obligations that were issued with the expectation that the interest thereon shall be excludable from gross income for purposes of the Tax Code, the appropriate official or officials of the City are authorized to execute and deliver any certificates or instruments deemed appropriate by bond counsel to the City (including, without limitation, any amendments or supplements to then-existing tax certificates of the City) and to take any action necessary to preserve the tax-exempt status of such Obligations, including (without limitation) making any elections, designations, determination or filings required or permitted by the Tax Code and making any required payments of arbitrage rebate. The provisions of this Section 82C shall be liberally construed in order to effectuate the temporary borrowing of unexpended proceeds of Obligations contemplated hereby, subject to any applicable limitations of Maryland or federal law, including the Tax Code. From and after the effective date of the Lease stated in such Lease, the Board of Governors of the Memorial Hospital of Cumberland shall cease to exercise any and all of the powers set forth in the preceding Sections 192 to 201, inclusive, of this Charter except as otherwise provided in this Section, and, on such effective date, any and all right, title and interest of the Board of Governors in an [and] to the Memorial Hospital property shall vest in the Mayor and City Council of Cumberland to the extent not transferred or otherwise provided for in the Lease.

For the limited purposes of participating in, effectuating, confirming, and/or assuring the transfer of any or all of its properties, rights and interests to a Non-profit Corporation, as Lessee of Memorial Hospital, or to any entity succeeding to it in the operation and administration of the institution now known as The Memorial Hospital of Cumberland as may be approved by the Mayor and City Council of Cumberland and the proper, necessary and lawful winding-up of its affairs, the Board of Governors shall continue to exist for a period of one (1) year following the effective date of the Lease and shall have all powers that are necessary and proper to carry into full force and effect and to accomplish fully the transfer of its property, interests and assets and to wind up its affairs, including, but not limited to, the power to join in the lease to the Non-profit Corporation and to perform such actions with respect to its properties, interests, and assets as may be ordered or directed by Mayor and City Council of Cumberland; to execute and deliver such documents and

assurances as may be necessary to the accomplishment of such purposes and objects; and to perform all such acts as may be lawful and proper for a board of trustees acting in the dissolution of a corporation as fully as if such Board of Governors had been incorporated under the provisions of the Public General Laws of Maryland, and were undergoing dissolution, and thereafter said Board of Governors shall have no further existence. (Char. Am. Res. No. 84, 2-11-82.)

### Section 203.

Mayor and City Council of Cumberland is authorized and empowered to provide, improve, promote and support the continued provision of high quality [quality] hospital and health care services for the residents of the City of Cumberland and its environs, and to enable, promote and support the provision of such hospital and health care services by and through the institution known as The Memorial Hospital of Cumberland owned by Mayor and City Council of Cumberland. The Mayor and City Council of Cumberland shall have, and is hereby granted, such powers, and is authorized to take such actions, as are necessary or desirable to carry into full force and effect and to accomplish fully the purposes and objects described in this Section, including, but not limited to, the power and authority to exercise the following specific powers which are hereby found and declared to be necessary and proper to carry into full force and effect and to fully accomplish the purposes and objects contemplated by this Charter.

(a) Mayor and City Council of Cumberland may lease all land and other property comprising Memorial Hospital and such other property of every kind in which Mayor and City Council of Cumberland, Board of Governors, or any agency of the Mayor and City Council of Cumberland have any interest as they deem appropriate to the Memorial Hospital and Medical Center of Cumberland, Inc., a private non-profit corporation of the State of Maryland to be operated and administered by the Non-profit Corporation as a facility for the purpose of providing health care, hospital services, and other related services to the general public. Such property may be leased for such rentals or other consideration, nominal or otherwise, for such duration and upon such other terms as the Mayor and City Council of Cumberland provide in a form of Lease approved by it. The Lease shall be authorized by the Mayor and City Council of Cumberland on or before July 1, 1982, and shall contain a statement as to its effective date; provided, however, that written notice of the effective date of the Lease shall be given, prior to such effective date, to the State Department of Assessments and Taxation of Maryland, the Secretary of State of Maryland and the Department of Legislative Reference of the State of Maryland. The Lease shall also provide that the Non-profit Corporation, as Lessee, shall:

(1) operate Memorial Hospital as a facility providing health care, hospital services and other related services to the general public, free of discrimination based upon race, creed, sex or national origin;

(2) provide necessary emergency medical care and service to indigent residents of the City of Cumberland and Allegany County, to the extent that funds are provided (i) by the State of Maryland or by the Mayor and City Council of Cumberland or by any agency or instrumentality of either thereof, or by any other person or entity, or (ii) by inclusion of provision for payment of the cost of such care and service in the rates approved for the Non-profit

Corporation by the Maryland Health Services Cost Review Commission or other regulatory body having jurisdiction;

(3) provide to Mayor and City Council of Cumberland a semi-annual financial statement of the operations of Memorial Hospital; and

(4) at all times maintain in a prominent position in the Memorial Hospital building a proper tablet dedicated to the perpetual memory of those citizens of the City of Cumberland and Allegany County who died in the service of our country in wars and other engagements of the armed forces of the United States of America.

(b) Without in any way limiting provisions that the Mayor and City Council of Cumberland may include in the Lease, the Lease may provide any one or more of the following:

(1) that the Non-profit Corporation shall indemnify and hold harmless the Mayor and City Council of Cumberland against any and all liabilities, costs, expenses, claims or causes of action arising from and relating to the operation, control, and management of the Memorial Hospital by the Board of Governors.

(2) that the Non-profit Corporation shall have the power to make such changes, deletions, removals, alterations, modifications, additions or improvements to the Memorial Hospital as it deems necessary and may negotiate contracts relating to the construction or acquisition and financing of such changes, deletions, removals, alterations, modifications, additions, or improvements without any requirement to advertise or to bid such contracts;

(3) that the Non-profit Corporation shall indemnify, hold harmless and defend Mayor and City Council of Cumberland against any and all liabilities, cost and expense resulting from the leasing of and subsequent operation of Memorial Hospital;

(4) that the Board of Governors shall join Mayor and City Council of Cumberland in the execution and delivery of any lease authorized pursuant to this Charter and such Board of Governors is expressly authorized to join in the execution and delivery of such lease;

(5) that the Mayor and City Council of Cumberland shall join the Board of Trustees of the Non-profit Corporation in the execution and delivery of any mortgage, assignment or other instrument creating a lien or other encumbrance on the Memorial Hospital property, including any mortgage of the City's fee simple interest in such property; or

(6) such other terms and provisions as the Mayor and City Council of Cumberland may deem appropriate or necessary.

(c) In the event of a lease of any of Memorial Hospital property to the Non-profit Corporation, then, in connection with borrowings by the Corporation for any of its corporate purposes, including the issuance of bonds by the State of Maryland or by any public instrumentality thereof, to finance or refinance the cost of acquiring, constructing, improving, renovating or equipping the Hospital, or any part thereof, the Mayor and City Council of Cumberland and the

Non-profit Corporation may grant, transfer, assign, mortgage, encumber or otherwise pledge the Memorial Hospital property, and any interest in said property, and may assign or subordinate any interest in the Lease as security for the borrowing, and may also include in the Lease provisions for the mandatory extension of the Lease until such time as the bonds or other obligations have been paid or provision has been made for the payment thereof and any other provisions which the Mayor and City Council of Cumberland may deem necessary or appropriate under the circumstances to accomplish the financing of improvements and additions to Memorial Hospital and the operation thereof. In connection with any such borrowing, the Non-profit Corporation may subordinate to such transfer, assignment, mortgage, encumbrance, or other pledge, or may transfer, assign, mortgage, encumber or otherwise pledge, its interest in the Lease. The borrowing by the Non-profit Corporation and any transfer, assignment, mortgage, encumbrance or other pledge of Memorial Hospital or any property in connection therewith and the assignment of the Lease and the accomplishment of the transactions contemplated by this Section shall not constitute a debt of Mayor and City Council of Cumberland within the meaning of any constitutional, statutory, charter or other provision of law, ordinance or regulation which prohibits, or in any way limits or otherwise affects the incurrence of debt by Mayor and City Council of Cumberland and shall not constitute a conveyance or any other disposition of any City property within the meaning of any provision of this Charter, ordinance or resolution so as to require any action under any such provision. In the event the Memorial Hospital property is leased to the Non-profit Corporation, Mayor and City Council of Cumberland shall have no obligation to appropriate any monies for the operation and maintenance of Memorial Hospital, although Mayor and City Council of Cumberland may appropriate monies for such purposes if they deem it necessary or appropriate.

The provisions of this Section are intended to be self-executing upon the approval of the contemplated Lease by the Mayor and City Council of Cumberland; and shall require no further advertisement; no notice, hearing, ordinance, resolution, referendum or other action shall be required prior to or in connection with the leasing, mortgaging, improvement and operation of Memorial Hospital in accordance with this Section.

(d) Upon any failure, termination, expiration, default or other cessation of the lease to the Non-profit Corporation described in the preceding parts of this Section, and subject in all cases to any existing obligations, rights and contracts, Mayor and City Council of Cumberland may, if it determines such action to be in the public interest, create a separate public body or agency to hold, operate and administer Memorial Hospital and to enable, provide, promote and support the provision of hospital and health care services by and through the hospital institution known as Memorial Hospital of Cumberland. In the event that the Mayor and City Council of Cumberland makes such determination, it shall proceed by ordinance to establish a public body or agency to undertake the operation and administration of Memorial Hospital and the other objects and purposes described in this Section. Without in any way limiting the provisions of this Section, any such ordinance may grant or delegate unto such public body or agency all such powers and authorizations as are deemed necessary and appropriate to carry into full force and effect, and to fully accomplish, the purposes and objects described in this Section, including, but not limited to, the power and authority to select land and buildings; construct improvements; effect renovations; make contracts for the erection, improvement or equipping of Memorial Hospital; make all rules and regulations deemed necessary from time to time for the operation and maintenance of Memorial Hospital; regulate charges for hospitalization and health care services and the collection

of the same; employ and fix the salaries of superintendents and such other persons as may be needed in carrying on the work of a hospital; make and apply rules and regulations covering the conduct of employees, nurses, physicians and surgeons in attendance therein, and all other general rules and regulations pertaining to the management, maintenance, or operation of Memorial Hospital; to receive and deposit all proper expenditures for the operation of Memorial Hospital; maintain proper books and accounts of all receipts and expenditures for the operation of Memorial Hospital; make such repairs as may be required upon Memorial Hospital buildings; and purchase such supplies and equipment as may be necessary in the operation and maintenance of Memorial Hospital; make and execute all contracts and other instruments necessary or convenient to the exercise of powers granted to it under said ordinance; and generally to organize, coordinate, and manage the administration of Memorial Hospital in order to accomplish the objects and purposes set forth in this Section.

Upon the establishment of a public body or agency under this subsection (d) and effective upon the date that such public body or agency shall be constituted and able to exercise the powers and authorizations granted to it, the provisions of subsection (d) shall prevail over and supersede [supersede] any inconsistent provisions of Sections 192, 193, 194, 195, 196, 197, 198, 200 and 201 of this Charter. (Char. Am. Res. No. 84, 2-11-82.)

#### Section 204.

(Repealed by Charter Amendment Resolution No. 15.)

### **Zoning**

#### Section 205. Authority to regulate size of buildings and yards, density of population, use of buildings and land, etc.

The Mayor and City Council of Cumberland, for the purpose of promoting health, safety, morals, or the general welfare of the community, is hereby authorized and empowered to regulate and restrict the height, number of stories and size of buildings and other structures, the percentage of lot that may be occupied, the size of yards, courts and other open spaces, the density of population, and the location and use of buildings, structures and land for trade, industry, residence and for other purposes. (1924, ch. 560, § 1; P.L.L. 1930, art. 1A, § 179.)

#### Section 206. Division of city and area within one mile of city limits into districts; regulations within districts to be uniform.

For any or all of said purposes the mayor and city council may divide the City of Cumberland, and the territory one mile beyond the city limits, into districts of such number, shape and area as may be deemed best suited to carry out the purposes of this sub-title, and within such districts may regulate and restrict the erection, construction, reconstruction, alteration, repair or use of buildings, structures or land, provided, however, that all such regulations shall be uniform for each class or kind of buildings throughout each district, and provided further that the

regulations in one district may differ from those in other districts. (1924, ch. 560, § 2; P.L.L. 1930, art. 1A, § 180.)

Section 207. Comprehensive plan; purposes of zoning regulations.

Such regulations shall be made in accordance with a comprehensive plan, and designed to lessen congestion in the streets; to secure safety from fire, panic and other dangers; to promote health and general welfare; to provide adequate light and air; to prevent overcrowding of land; to avoid undue concentration of population; to facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements, and such regulations shall be made with reasonable consideration, among other things, to the character of the district and its [its] peculiar suitability for particular uses, and with a view to conserving the value of buildings and encouraging the most appropriate use of land throughout the City of Cumberland and the territory one mile beyond the city limits. (1924, ch. 560, § 3; P.L.L. 1930, art. 1A, § 181.)

Section 208. Enactment and amendment of regulations; public hearings and notice of hearings required prior to enactment or amendment of regulations.

The mayor and city council shall provide by ordinance for the manner in which such regulations and restrictions and the boundaries of such districts shall be determined, established and enforced, and from time to time amended, supplemented or changed. However, no such regulation, restriction or boundary shall become effective until after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard. At least ten days' notice of the time and place of such hearing shall be published in two of the daily newspapers published in the City of Cumberland. (1924, ch. 560, § 4; P.L.L. 1930, art. 1A, § 182.)

Section 209. Procedure when neighboring property owners protest change.

Such regulations, restrictions and boundaries may from time to time be amended, supplemented, changed, modified or repealed. In case, however, of a protest against such change signed by the owners of twenty per cent or more either of the area of the lots included in such proposed change, or of those immediately adjacent in the rear thereof extending one hundred and fifty feet therefrom, or of those directly opposite thereto, extending one hundred and fifty feet from the street frontage of such opposite lots, such amendment shall not become effective except by the favorable vote of the mayor and three members of the city council. The provisions of the previous section relative to public hearings and official notice shall apply equally to all changes or amendments. (1924, ch. 560, § 5; P.L.L. 1930, art. 1A, § 183.)

Section 210. Planning and zoning commission.

In order to avail itself of the power conferred by this subtitle the mayor and city council of Cumberland shall appoint a commission to be known as the municipal planning and zoning commission to recommend the boundaries of the various original districts, and to recommend the appropriate regulations to be enforced therein. Such commission shall make a preliminary report and hold public hearings thereon before submitting its final report, and the mayor and city council

shall not hold its public hearings or take action until it has received the final report of such commission. (Char. Amend. Reso. No. 25, § 1.)

Section 211. Board of adjustment.

The mayor and city council may provide by ordinance for the appointment by the mayor of a board of adjustment, and in the regulations and restrictions adopted pursuant to the authority of this subtitle may provide that the said board of adjustment, in appropriate cases and subject to appropriate conditions and safeguards, make special exceptions to the terms of the ordinance in harmony with its general purpose and intent, in accordance with general or specific rules therein contained.

The board of adjustment shall consist of five members, each to be appointed for a term of three years, and removable for cause by the appointing authority, upon written charges and after a public hearing. Vacancies occurring in said board either before or after the expiration of the term of any of the members thereof shall be filled by the mayor.

The board shall adopt rules in accordance with the provisions of any ordinance adopted pursuant to this subtitle. Meetings of the board shall be held at the call of the chairman, and at such other times as the board may determine. Such chairman or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of the board shall be open to the public. The board shall keep minutes of its proceedings, showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and it shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the city clerk and shall be a public record.

Appeals to the board of adjustment may be taken by any person aggrieved or by any officer, department, board or bureau of the City of Cumberland affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time as provided by the rules of the board by filing with the officer from whom the appeal is taken and with the board of adjustment a notice of appeal in writing specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board all the papers constituting the record upon which the action appealed from was taken.

An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the board of adjustment after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would in his opinion cause imminent peril to life or property. In such cases proceedings shall not be stayed otherwise than by a restraining order which may be granted by the board of adjustment or by the circuit court for Allegany County on application on notice to the officer from whom the appeal is taken and on due cause shown.

The board of adjustment [adjustments] shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as due notice to the parties in interest, and decide the same within a reasonable time. At the hearing any person may appear in person or by agent or by attorney.

The board of adjustment shall have the following powers:

(a) To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement of this subtitle, or of any ordinance adopted pursuant thereto.

(b) To hear and decide special exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance.

(c) To authorize upon appeal in specific cases such variance from the terms of the ordinance as will not be contrary to the public interest, where owing to special conditions a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that spirit of the ordinance shall be observed and substantial justice done.

In exercising the above mentioned powers such board may, in conformity with the provisions of this subtitle, reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination appeal from and may make such order, requirement, decision or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken.

The concurring vote of four members of the board shall be necessary to reverse any order, requirement, decision or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance or to effect any variation in such ordinance.

Any person or persons, jointly or severally aggrieved by any decision of the board of adjustment, or any taxpayer, or any officer, department, board or bureau of the City of Cumberland, may present to the circuit court for Allegany county a petition, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented to the court within thirty days after the filing of the decision in the office of the board, and not thereafter.

Upon the presentation of such petition, the court may allow a writ of certiorari directed to the board of adjustment to review such decision of the board of adjustment and shall prescribe therein the time within which a return thereto must be made and served upon the relator's attorney, which shall not be less than ten days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order.

The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof of such portions as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified by affidavit.

If, upon the hearing, it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence in open court, or direct that evidence be taken by one of the standing examiners of said court, and report the same to the court, and upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought for review.

Costs shall not be allowed against the board, unless it shall appear to the court that it acted with gross negligence or in bad faith or with malice in making the decision appealed from.

All issues in any proceeding in this section shall have preference over all other civil actions and proceedings. (1924, ch. 560, § 7; P.L.L. 1930, art. 1A, § 185.)

Section 212. Proceedings to prevent unlawful construction, use, etc., of buildings or land.

In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained; or any building, structure or land is used in violation of this subtitle, or in violation of any ordinance or other regulation made under authority conferred hereby, the city solicitor, in addition to other remedies may institute any appropriate action or proceedings to prevent any unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance or use, to restrain, correct or abate such violation, or to prevent the occupancy of such building, structure or land, or to prevent any illegal act, conduct, business or use in or about such premises. (1924, ch. 560, § 8; P.L.L. 1930, art. 1A, § 186.)

Section 213. Conflicts between zoning regulations and other statutes, ordinances, etc.

Wherever the regulations made under authority of this subtitle require a greater width or size of yards, courts, or other open spaces, or require a lower height of building or less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required in any other statute or local ordinance or regulation, the provisions of the regulations made under authority of this subtitle shall govern. Wherever the provisions of any other statute or local ordinance or regulation require a greater width or size of yards, court or other open spaces, or require a lower height of building or a less number of stories, or require a greater percentage of lot to be left unoccupied, or impose other higher standards than are required by the regulations made under authority of this subtitle, the provisions of such statute or local ordinance or regulation shall govern. (1924, ch. 560, § 9; P.L.L. 1930, art. 1A, § 187.)

Section 214. Exemption of buildings from regulations.

It shall be competent for the officers, commission and board of adjustment herein named to specially exempt from any general ordinance or order, any building or structure now or hereafter to be erected, from the operations of the same, provided, such officers, commission or board of adjustment shall deem the said building or its location necessary for the public welfare, but always reserving the same right of successive appeal herein contained relating to other matters. (1924, ch. 560, § 10; P.L.L. 1930, art. 1A, § 188.)

#### Section A1-103. Establishment of Urban Renewal Agency.

The municipality may itself exercise all the powers granted by this appendix, or may, if its legislative body by ordinance determines such action to be in the public interest elect to have such powers exercised by a separate public body or agency as hereinafter provided. In the event said legislative body makes such determination, it shall proceed by ordinance to establish a public body or agency to undertake in the municipality the activities authorized by this appendix. Such ordinance shall include provisions establishing the number of members of such public body or agency, the manner of their appointment and removal, the terms of said members and their compensation. The ordinance may include such additional provisions relating to the organization of said public body or agency as may be necessary. In the event the legislative body enacts such an ordinance, all the powers by this appendix granted to the municipality shall, from the effective date of said ordinance, be vested in the public body or agency thereby established, except:

(1) The power to pass a resolution to initiate an urban renewal project pursuant to Section A1-104 of the Charter of the City of Cumberland;

(2) The power to issue general obligation bonds pursuant to Section A1-109 of the Charter of the City of Cumberland;

(3) The power to appropriate funds, and to levy taxes and assessments pursuant to Section A1-102(3) of the Charter of the City of Cumberland.

(1) finds that one or more slum or blighted areas exist in such municipality;

(2) locates and defines the said slum or blighted areas;

(3) finds that the rehabilitation, redevelopment, or a combination thereof, of such area or areas, is necessary in the interest of the public health, safety, morals or welfare of the residents of such municipality.

Section A1-105. Preparation and Approval of Plan for Urban Renewal Project.

(a) The municipality, in order to carry out the purposes of this appendix, shall prepare or cause to be prepared an urban renewal plan for slum or blighted areas in the municipality, and shall formally approve such plan. Prior to its approval of an urban renewal project, the municipality shall submit such plan to the planning body of the municipality, for review and recommendations as its conformity with the master plan for the development of the municipality as a whole. The planning body shall submit its written recommendation with respect to the proposed urban renewal plan to the municipality within sixty days after receipt of the plan for review; upon receipt of the recommendations of the planning body or, if no recommendations are received within said sixty days, then without such recommendations, the municipality may proceed with a public hearing on the proposed urban renewal project. The municipality shall hold a public hearing on an urban renewal project after public notice thereof by publication in a newspaper having a general circulation within the corporate limits of the municipality. The notice shall describe the time, date, place and purpose of the hearing, shall generally identify the urban renewal area covered by the plan, and shall outline the general scope of the urban renewal project under consideration. Following such hearing, the municipality may approve an urban renewal project and the plan therefor if it finds that: (1) a feasible method exists for the location of any families who will be displaced from the urban renewal area in decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families; (2) the urban renewal plan substantially conforms to the master plan of the municipality as a whole; and (3) the urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise.

(b) An urban renewal plan may be modified at any time, provided that if modified after the lease or sale of real property in the urban renewal project area, the modification may be conditioned upon such approval of the owner, lessee or successor in interest as the municipality may deem advisable and in any event shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest, may be entitled to assert. Where the proposed modification will substantially change the urban renewal plan as previously approved by the municipality, the modification shall be formally approved by the municipality, as in the case of an original plan.

(c) Upon the approval by the municipality of an urban renewal plan or of any modification thereof, such plan or modification shall be deemed to be in full force and effect for the respective urban renewal area and the municipality may then cause such plan or modification to be carried out in accordance with its terms.

Section A1-106. Disposal of Property in Urban Renewal Area.

(a) The municipality may sell, lease or otherwise transfer real property or any interest therein acquired for it by an urban renewal project, for residential, recreational, commercial, industrial, educational or other uses or for public use, or may retain such property or interest for public use, in accordance with the urban renewal plan, subject to such covenants, conditions and restrictions, including covenants running with the land, as it may deem to be necessary or desirable

to assist in preventing the development or spread of future slums or blighted area or to otherwise carry out the purposes of this appendix. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin within a reasonable time any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, the municipality shall take into account and give consideration to the uses provided in such plan; the restrictions upon, and the covenants, conditions and obligations assumed by the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of slum or blighted areas. The municipality in any instrument of conveyance to a private purchaser or lessee may provide that such purchaser or lessee shall be without power to sell, lease or otherwise transfer the real property without the prior written consent of the municipality until he has completed the construction of any or all improvements which he has obligated himself to construct thereon. Real property acquired by the municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible in the public interest consistent with the carrying out of the provisions of the urban renewal plan. Any contract for such transfer and the urban renewal plan (or such part or parts of such contract or plan as the municipality may determine) may be recorded in the Land Records of the county in which the municipality is situated in such manner as to afford actual or constructive notice thereof.

(b) The municipality may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe or as hereinafter provided in this subsection. The municipality may, by public notice by publication in a newspaper having a general circulation in the community (not less than sixty days prior to the execution of any contract to sell, lease or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section) invite proposals from and make available all pertinent information to private redevelopers or any persons interested in undertaking to redevelop or rehabilitate an urban renewal area, or any part thereof. Such notice shall identify the area, or portion thereof, and shall state that proposals shall be made by those interested within a specified period of not less than sixty days after the first date of publication of said notice, and that such further information as is available may be obtained at such office as shall be designated in said notice. The municipality shall consider all such redevelopment or rehabilitation proposals and the financial and legal ability of the persons making such proposals to carry them out, and may negotiate with any persons for proposals for the purchase, lease or other transfer of any real property acquired by the municipality in the urban renewal area. The municipality may accept such proposal as it deems to be in the public interest and in furtherance of the purposes of this appendix. Thereafter, the municipality may execute and deliver contracts, deeds, leases and other instruments and take all steps necessary to effectuate such transfers.

(c) The municipality may temporarily operate and maintain real property acquired by it in an urban renewal area for or in connection with an urban renewal project pending the disposition of the property as authorized in this appendix, without regard to the provisions of

sub-section (a) above, for such uses and purposes as may be deemed desirable even though not in conformity with the urban renewal plan.

(d) Any instrument executed by the municipality and purporting to convey any right, title or interest in any property under this appendix shall be conclusively presumed to have been executed in compliance with the provisions of this appendix insofar as title or other interest of any bona fide purchaser, lessees or transferees of such property is concerned.

Section A1-107. Eminent Domain.

Condemnation of land or property under the provisions of this appendix shall be in accordance with the procedure provided in the Real Property Article of the Code of Maryland.

Section A1-108. Encouragement of Private Enterprise.

The municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this appendix, shall afford maximum opportunity, consistent with the sound needs of the municipality as a whole, to the rehabilitation or redevelopment of any urban renewal area by private enterprise. The municipality shall give consideration to this objective in exercising its powers under this appendix.

Section A1-109. General Obligation Bonds.

For the purpose of financing and carrying out of an urban renewal project and related activities, the municipality upon a two-thirds vote of the mayor and aldermen may issue and sell its general obligation bonds. Any bonds issued by the municipality pursuant to this section shall be issued in the manner and within the limitations prescribed by applicable law for the issuance and authorizations of general obligation bonds by such municipality, and also within such limitations as shall be determined by said municipality.

Section A1-110. Revenue Bonds.

In addition to the authority conferred by Section A1-109 of this appendix, the municipality shall have the power to issue revenue bonds to finance the undertaking of any urban renewal project and related activities, and shall also have power to issue refunding bonds for the payment or retirement of such bonds previously issued by it. Such bonds shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from or held in connection with its undertaking and carrying out of urban renewal projects under this appendix; provided, however, that payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant or contribution from the Federal Government or other source, in aid of any urban renewal projects of the municipality under this appendix, and by a mortgage of any such urban renewal projects, or any part thereof, title to which is in the municipality. In addition, the municipality may enter into an Indenture of Trust with any private banking institution of this State having trust powers and may make in such indenture of trust such covenants and commitments as may be required by any purchaser for the adequate security of said bonds.

(2) Bonds issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, shall not be subject to the provisions of any other law or charter relating to the authorization, issuance or sale of bonds, and are hereby specifically exempted from the restrictions contained in Sections 9, 10 and 11 of Article 31 of the Annotated Code of Maryland (1957 Edition, as amended). Bonds issued under the provisions of this Article are declared to be issued for an essential public and governmental purpose and, together with interest thereon and income therefrom, shall be exempted from all taxes.

(2) Bonds issued under this section shall be authorized by resolution or ordinance of the legislative body of the municipality and may be issued in one or more series and shall bear such date or dates, shall mature at such time or times, bear interest at such rate or rates, not exceeding six per centum per annum, be in such denomination or denominations, be in such form either with or without coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium or payment, at such place or places, and be subject to such terms of redemption (with or without premium), be secured in such manner, and have such other characteristics, as may be provided by such resolution or trust indenture or mortgage issued pursuant thereto.

(3) Such bonds may be sold at not less than par at public sales held after notice published prior to such sale in a newspaper having a general circulation in the area in which the municipality is located and in such other medium of publication as the municipality may determine or may be exchanged for other bonds on the basis of par; provided, that such bonds may be sold to the Federal Government at private sale at not less than par, and, in the event less than all of the authorized principal amount of such bonds is sold to the Federal Government, the balance may be sold at private sale at not less than par at an interest cost to the municipality of not to exceed the interest cost to the municipality of the portion of the bonds sold to the Federal Government.

(4) In case any of the public officials of the municipality whose signatures appear on any bonds or coupons issued under this appendix shall cease to be such officials before the delivery of such bond or, in the event any such officials shall have become such after the date of issue thereof, said bonds shall nevertheless be valid and binding obligations of said municipality in accordance with their terms. Any provisions of any law to the contrary notwithstanding, any bonds issued pursuant to this appendix shall be fully negotiable.

(5) In any suit, action or proceeding involving the validity or enforceability of any bond issued under the appendix or the security therefor, any such bond reciting in substance that it has been issued by the municipality in connection with an urban renewal project, as herein defined, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located and carried out in accordance with the provisions of this appendix.

(6) All banks, trust companies, bankers, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking or investment business; all insurance companies, insurance

associations, and other persons carrying on an insurance business; and all executors, administrators, curators, trustees, and other fiduciaries, may legally invest any sinking funds, monies, or other funds belonging to them or within their control in any bonds or other obligations issued by the municipality pursuant to this appendix, provided that such bonds and other obligations shall be secured by an agreement between the issuer and the Federal Government in which the issuer agrees to borrow from the Federal Governemnt [Government] and the Federal Government agrees to lend to the issuer, prior to the maturity of such bonds or other obligations, monies in an amount which (together with any other monies irrevocably committed to the payment of principal and interest on such bonds or other obligations) will suffice to pay the principal of such bonds or other obligations with interest to maturity thereon, which monies under the terms of said agreement are required to be used for the purpose of paying the principal of and the interest on such bonds or other obligations at their maturity. Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Nothing contained in this section with regard to legal investments shall be construed as relieving any person of any duty of exercising reasonable care in selecting securities.

Section A1-111. Separability.

If any provision of this appendix, or the application thereof to any person or circumstances, is held invalid, the remainder of the appendix and the application of such provision to persons or circumstances other than those as to which it is held invalid, shall not be affected thereby. The powers conferred by this appendix shall be in addition and supplemental to the powers conferred by any other law.

Section A1-112. Short Title.

This Act shall be known and may be cited as the Cumberland Urban Renewal Authority for Slum Clearance Act.

Section A1-113. Authority to Amend or Repeal.

This appendix, enacted pursuant to Article III, Section 61 of the Constitution of Maryland, may be amended or repealed only by the General Assembly of Maryland.

## NOTES

(1) Set out herein is the Charter of the City of Cumberland. Such Charter is officially designated Article 1A of the Code of Public Local Laws of Maryland.

The Charter was enacted in its present form by Acts 1949, chapter 647, which legalized the 1950 edition of the Charter. Amendments have been worked into their proper places. Catchlines have been prepared for all sections of the Charter. A uniform system of capitalization has been employed and a frontal analysis has been prepared for the convenience of the user. The derivation of each section is indicated by an historical citation following each section.

For constitutional provisions as to municipal charters, see Md. Const., art. 11E.

For state law as to Home Rule, see Anno. Code of Md., 1957, art. 23A, §§ 9 to 43.

(2) City is authorized by this section to buy in property at tax sales. *Young v. Cumberland*, 170 Md. 505, 185 Atl. 450.

(2a) Annexation Resolutions, effective July 11, 1987 and October 31, 1987, annexed 4 lots of the Woodland Acres Subdivision. These were added as subsections (b) and (c) of Section 2 since the resolutions did not clarify how the boundary description is to be amended.

(3) This section does not entitle a resident of an annexed area to mandamus to compel the city to extend its water system to his residence when the city has neither the money to make such extension nor the authority to borrow such money. *Schrivver v. Cumberland*, 169 Md. 286, 181 Atl. 444.

(4) Reserved.

(5) Acts 1929, ch. 552, was subject to a referendum, and was approved by the voters in November, 1930, by a vote of 3,247 For and 535 Against.

(6) The city is not responsible for an unauthorized act on the part of the mayor. *Cumberland v. Willison*, 50 Md. 138.

(7) Charter Amendment Resolution No. 18 changed the title “city auditor” to “city comptroller”, and directed that such change be made throughout the Charter and Ordinances of the City of Cumberland. Such change has been made throughout this Charter and the City Code.

(8) The city is under an obligation to exercise for the public good the powers conferred upon it by its Charter to prevent nuisances and to protect persons and property. This duty may not be discharged by merely passing ordinances. A vigorous effort must be made to enforce them. *Taylor v. Cumberland*, 64 Md. 68, 20 Atl. 1027 (1885).

(9) The word “breaches” was apparently intended here.

(13) The word “therefor” evidently intended.

(14) Section 1 of Acts 1924, ch. 69, authorized the issue of water improvement bonds for \$750,000. See Ord. No. 1220, April 14, 1930.

(15) Section 1 of Acts 1929, ch. 548, authorized the issue of water improvement bonds in the amount of \$200,000. See Ord. No. 1221, April 14, 1930; Ord. 1256, December 8, 1930.

Sec. 5A of said Act read as follows: “The Mayor and City Council of Cumberland shall exercise the powers herein granted, only in the event that Chapter 552 of the Acts of the General Assembly of 1929, the same being House Bill No. 313 and pertaining to the increasing of the corporate limits of the City of Cumberland, shall have become effective by a referendum vote, as therein provided.” At the referendum election in November, 1930, Ch. 552 of 1929 was approved by the voters, by a vote of 3,247 For and 535 Against.

Petition for mandamus to require city under this Act to furnish water to petitioner, denied. *Shriver v. Cumberland*, Case No. 1432, Miscellaneous Docket, Allegany County Circuit Court. 169 Md. 286, 181 Atl. 444.

The proceeds of these bonds should be used in the new area added to the city by Acts 1929, ch. 552, except as to necessary connecting work in the old portion of the city. *Myers v. Cumberland*, Case No. 1318, Miscellaneous Docket, Allegany County Circuit Court.

(16) Sections 89 and 90 probably are obsolete. No action was ever taken under them.

(17) Section 1 of Acts 1931, ch. 6, authorized the issue of water improvement bonds in the amount of \$900,000. See Ord. No. 1259, March 2, 1931; Ord. No. 1261, March 31, 1931; Ord. No. 1308, December 14, 1931; Ord. No. 1311, December 31, 1931.

(18) Section 1 of Acts 1933, ch. 23, authorized the issue of water improvement bonds of 1933 in the amount of \$225,000. See Ord. No. 1330, March 6, 1933.

(19) Section 1 of Acts 1939, ch. 23, authorized the issue of water improvement bonds in the amount of \$150,000. See Ord. No. 1689, April 17, 1939.

The title of ch. 23 of Acts 1939, authorizing the issue of water improvement bonds of 1939, held to be sufficient. *Hitchins v. Cumberland*, 177 Md. 72, 8 A.2d 626. For the opinion of the Allegany County Circuit Court, see Equity Case No. 15,269.

(20) Section 1 of Acts 1941, ch. 932, authorized the issue of water bonds in the amount of \$500,000. It was approved by the voters by a vote of 2,763 For and 2,395 Against. See Ord. No. 1837, April 26, 1948.

(21) Anno. Code of Md., 1957, art. 31, §§ 9 to 11 now revised in Title 19, Subtitle 2 of the Local Government Article.

(22) Section 1 of ch. 3 of the Special Session of 1945 authorized the issue of water improvement bonds in the amount of \$250,000. See Ord. No. 1838, April 26, 1948.

(23) Section 1 of Acts 1949, ch. 496, authorized the issue of water improvement bonds in the amount of \$350,000.

(24) The reference to section 390, originally found in the 1930 Code of Public Local Laws is clearly erroneous. The original reference, found in chapter 96 of Acts 1922, is to section 339, which then applied to religious corporations, which is codified as art. 23, § 256 (now § 5–301 of the Corporations and Associations Article), Anno. Code of Md., 1957. For present state law as to powers of condemnation by water companies, see Anno. Code of Md., 1957, art. 23, §§ 332, 333 (now §§ 5–411 and 7–105 of the Public Utilities Article). As to condemnation of property by corporations generally, see Anno. Code of Md., 1957, art. 23, §§ 334 to 341 (see Maryland Rules).

(25) See Anno. Code of Md., 1957, art. 23, §§ 206, 207, now revised in the Public Utilities and Real Property Articles.

(26) General state law now requires the tax rate to be set not later than July 1 of each year. See Anno. Code of Md., 1957, art. 81, § 32, now revised in §§ 6–302 and 6–303 of the Tax – Property Article.

(27) See Anno. Code of Md., 1957, art. 23, § 332, et seq (now § 7–105 of the Public Utilities Article).

(28) Although a street may have been dedicated by the owner and used by the public, the city is not liable to a person injured in consequence of its defective condition unless the dedication has been formally accepted. *Ogle v. Cumberland*, 90 Md. 59, 44 Atl. 1015; *Kennedy v. Cumberland*, 65 Md. 514, 9 Atl. 234.

In an action for injuries received by an occupant of an automobile which skidded while rounding a curve, the city was not negligent because the surface of the street was smooth and

slippery, it appearing that experienced engineers had selected the material for surfacing the street, and it not appearing that the operator of the vehicle was driving within the speed limit. *Cumberland v. Turney*, 177 Md. 297, 9A, 2d 561.

(29) The reference to section 848 is obviously erroneous, since no such section has ever existed in article 23. For present state law as to condemnation by corporations, see Anno. Code of Md., 1957, art. 23, §§ 334 to 341, now revised in Title 5, Subtitle 4 of the Public Utilities Article.
