## NOTES

(1) Resolution 2006–08R, effective October 26, 2006, provided for the annexation of 39.69 acres of land, more or less. Resolution 2008–03R, effective December 4, 2008, provided for the annexation of 0.48 acres of land, more or less. These Resolutions, however, failed to provide for a change in the boundary description contained in this Charter. Therefore, these annexation resolutions are simply noted pursuant to the municipal general powers.

(2) Resolution No. 2003–02R, effective September 24, 2003, amended Article IV, Section 2. The Section as set forth in the Resolution as existing language was not identical to the Section set forth in this Charter. Thus, the Section contained in this Charter has been amended, but only to reflect noted changes made to the Section set forth in the Resolution (*i.e.*, material bracketed was deleted and material in capital letters was added).
